Welcome

Welcome to Noarlunga Little Athletics Centre for the 2020/2021 season.

Little Athletics is an Australian initiative that began in the early 1960's and has developed into a well-recognised and well-respected community organisation.

Noarlunga Little Athletics Centre has been established since 1975. Through the hard work and commitment of many families during these years, Noarlunga has developed and continues to grow as a successful member of Little Athletics SA. As members of Little Athletics Australia, we are a part of the largest volunteer-based sporting group in Australia.

One of the objectives of Little Athletics is to provide children of all abilities with the opportunity to participate in a healthy recreation with their parents— the motto being "FAMILY, FUN and FITNESS". This maxim is emphasized throughout all aspects of competition—from training to championships. We also aim to promote positive attitudes and a healthy lifestyle through family and community involvement in athletic activities.

By its nature, Little Athletics requires new parents each year to be able to continue. It is a sport that gives parents the opportunity to become involved with their children rather than just stand on the sidelines as a spectator.

Good luck, have fun and we hope all athletes achieve their best, in an atmosphere of friendship and sportsmanship!

General Information

Come and Try

If you are new to Little Athletics, we recommend using two “Come & Try” sessions before deciding to register for the whole season. Simply register as “Come & Try” online through this link: <https://registration.resultshq.com.au/CentreRegistration/>. Fill in the online forms providing details of the athlete and care provider to ensure the athlete is covered by insurance to participate for FREE. After two consecutive sessions you will have tried most events available for your age group (providing no cancellations due to weather events). Once fully registered, you will need to arrange payment and any uniform requirements with the registrar and collect your welcome pack.

Fees and Registration

2020/21 registration fees for the summer season (also includes Interclub access to Athletics SA Stadium & 2019 winter cross country registration)

1 athlete	\$140 plus uniform costs
2 athletes	\$280 plus uniform costs
3 athletes	\$380 plus uniform costs
4 or more	\$70 Per additional athlete + uniform costs

Registration is only possible online via a link on our website or through the Association website as stated above. Payment is by credit card online only.

Uniform Requirements

- Noarlunga LAC Polo Top available from Centre for \$50 – all sponsor and age group patches, and registration numbers are to be sewn on in the correct positions. A plain black or white long sleeve top may be worn under the polo top.
- Athletes must wear black shorts, leggings, sports briefs or two-way stretch above the knee-shorts (commonly referred to as bike shorts or skins). Cross country events allow $\frac{3}{4}$ or full length black tights or leggings with shorts worn over the top. No unapproved branding larger than 30mm x 30mm square (cover them with black tape etc.).
- **Optional:** Bottle green wide-brimmed sun smart hat available from Centre for \$10 and Hoodies are also available to order. Price on application.

General Information

Uniform Requirements Continued

Age group, sponsor and registration patches MUST be attached as shown above. No other patches or badges are permitted.

Weather

Every attempt will be made to modify events whenever weather conditions are extreme, however if it becomes necessary to cancel a Sunday morning meet, notice will be given on the website (www.noarlungalac.com.au) after 8:00am that morning or check Facebook for similar updates.

Rule: If the previous night's weather forecast is 36°C or higher for the **Noarlunga** area for the Sunday, athletics will be cancelled. For twilight meets and training nights, if the temperature is 35°C or higher at 4.00pm, it will be cancelled.

Please note: for **Association Events** conducted at SA Athletics Stadium Mile End, the following hot weather policy will apply. If the temperature forecast by the Australian Bureau of Meteorology, as published at 4:10pm on the Friday prior to the competition is between 37°C and 40°C then the competition will be conducted to a Hot Weather program. If it is 41°C or above the event will be cancelled and rescheduled to the next available date. See "Standard Rules of Competition" on the Association website (<http://www.salaa.org.au>) under "Competition" tab for further details.

Parking

Cars are not permitted on the oval except for equipment and stock deliveries. Car parking is permitted off Beach Road near the oval providing the access gate is clear at all times and vehicles keep clear of the bike path. Extra car parking is available in the Colonnades car park. For safety reasons, please use the pedestrian crossing to access the school grounds.

No Smoking Policy

School grounds are smoke-free zones at all times. At Noarlunga LAC, the Little Athletics SA Smoke

Free Policy is enforced:-

“Smoking is PROHIBITED at Centres and Clubs on the competition arena and the area surrounding the track and field events, clubrooms and canteen area”.

First Aid

A first aid and asthma kit are available at the canteen. For severe asthmatic or medical conditions please submit a **Medical Action Plan** to our First Aid Officer **Amanda Wilkinson** upon initial Registration.

Communication Pathway

- Please ensure that your registration details provided at the beginning of the season are kept up to date with any changes such as a valid email as this is the main form of communication used to keep families up to date with any last minute changes at our Centre.
- We provide an age group folder in each age group crate. This is where newsletters, specific event notifications and certificates will be placed prior to each Home meet. Chaperones need to check the folders each week and hand out relevant information to parents for their age group that day.
- New information is always given verbally at a group gathering prior to commencing each meet, as well as being written on the whiteboard displayed on the fence outside the shed. Please ensure you are at the venue on time, as this is an important way of finding out what is happening at your centre.
- All information will be posted on our website www.noarlungalac.com.au and regular updates are posted on Facebook.

Child Safety

- Little Athletics SA is strong in its commitment to a coordinated and comprehensive approach to promote the protection of children and adults. In accordance with the SA State Government principals for child protection and intervention, Little Athletics SA aims to promote a safe environment for all children and adults and to notify suspected child abuse and neglect.
- Little Athletics SA is committed to the belief that all children have the right to feel safe at all times.
- **If you have any concerns please contact our Child Safety Officer: Liz Ringland**

Canteen and BBQ

Each week the canteen (corporate box) and BBQ will be available only with the assistance of **parental help**. Both are run on a roster basis. The roster for parental assistance will be on display at the beginning of the season on the white board. Each family only need volunteer in the canteen and BBQ once a season. You can choose when you volunteer by writing your family name on the roster early in the season but if we don't have enough volunteers, families we will allocated duties on the roster. If you can't fulfil your allocation it will be up to you to find a replacement. Funds raised from sales go towards medals and trophies to be presented at the end of the summer season.

Parental Assistance

Little Athletics is a sport run by parents for their Children.

Assistance from all parents will be required each week for the smooth running of the program.

Parental Supervision

A Parent or Guardian **MUST** be present at the venue for their athlete to participate. For Tiny Tots to participate they must have a parent or guardian with them at all times.

No equipment is to be used by athletes prior to meet unless **actively** supervised by an adult. Hurdles in particular should not be jumped in the opposite direction to which they collapse. High jump mats should not be jumped upon while another person is on them. Every field event has safety instructions that must be adhered to. Make sure you familiarise yourself with these resources.

Chaperones

Each week a parent is required to act as chaperone for each age group. Parents may wish to roster this duty amongst themselves for the season. Try not to have the same parent do it each week.

The responsibilities of the chaperone include:

- Organising a group of children for the duration of the meet
- Collect the recording folder and age group crate
- Mark off the names of children present, add any extras to bottom of list (e.g. Come & Try)
- Check athlete is in correct uniform with correct registration number
- Ensuring available parents/caregivers help to mark, score and retrieve equipment
- Liaise with officials for smooth running of events and keep to the order of events as listed in the program.
- Record all results on recording sheet (paying particular attention to Centre Best results, see next page)
- Provide each athlete with a results ticket for events at the end of the meet
- Encourage athletes to participate and have fun!
- Returning folder and crate to collection point

Centre Best Records - Important Information for Chaperones

All Centre Best records must be verified by a Committee member in order to be accepted. It is therefore important for all chaperones to be aware of the centre best record for an event, prior to beginning the event. These records can be found at the top of the recording sheet.

- **Track** records will be verified by the committee member at the timing gates/finish line. As chaperones are recording the times, please check if a record has been broken. If it has please ask the committee member reading out the times to verify the time and alert them

that it is a record. They will then validate it by signing the recording sheet and stapling the timing print out from the race to the recording sheet to be handed in at the end of the meet.

- **Field records:** If you are recording results for a field event, you **MUST** be aware of the Centre Best record.
 - **High Jump:** If an athlete is about to jump a height that would break the record you must get a committee member to come to the event to observe and validate the height jumped by signing the recording sheet if the athlete achieves the height.
Long Jump, Triple Jump, Shot Put, Discus & Javelin/Turbo/Vortex: For all these events if an athlete achieves a record distance you must not remove the tape measure spike from the distance thrown or jumped until a committee member is there to verify the distance. If the record is verified, the committee member will sign the recording sheet.

Failure to have the record verified will mean the record will not be accepted, so please make sure you do it correctly or kids will miss out on achieving records.

Set-Up and Pack-Up at Home Meets

The Committee requires parental assistance for the setting up and packing away of equipment each week so that we can start on time. Families can arrive early by half an hour and help set up equipment they may be familiar with.

SET-UP would have parents arrive by 8:30am to assist Committee members to:

- Remove the equipment from the shed onto the trailers for distribution around the arena for each event. High jump uprights and bars to be placed on High Jump mat trailer after mats have been delivered to the oval. Uprights to be set up at each high jump mat, safety straps used where required.
- Set out Tiny Tots equipment as directed by the Coordinator
- The throw and jump events can then have their areas checked for safety and any issues reported to an Official.
- Markers/cones can be spread along the throw vectors
- The jumps pits raked and cleared of debris, run-ups cleared of debris, mats placed at edge of pits.
- Timing gates erected once trolley towed into place.
- Deliver tread in stakes and bunting to timing gates to be erected to prevent people crossing track blocking starters vision

PACK-UP requires parents to help Committee members by:

- Tiny Tots equipment packed neatly into storage (unless damp)
- Having all equipment packed up and left at the event area in the crates (throws) if you are the last age group scheduled for that event (check the program)
- For the jumps - tape measures wound up, rakes, brooms, mats, measuring stakes and any other equipment collected together in one spot for loading on the trailer.
- Collect all high jump uprights and bars onto mat trailer and returned to the shed.
- Load high jump mats onto trailer for return to the shed.
- Disassemble timing gates and associated bunting and return tread-in stakes to the shed.

The Committee team will then collect the equipment with the trailers at the end of the meet and return to the shed for storage.

"Many Hands Make Light Work"

- Volunteer to help out
- Little Athletics is run by parents
- Put your hand up and say "I can help"
- If you're not sure, ask someone
- Each week, help somewhere new

Coaches and Officials

Little Athletics SA conduct Introduction to Coaching Courses (ITCC) throughout the year, the majority being staged just prior to, or during the Little Athletics summer season. The ITCC is great for those who want to know more about skills of Athletics, so that they may help to coach children, assist at Little Athletics Centres and to prepare students for school athletics carnivals. If you would like to attend a course, speak to a Committee member for details.

The Australian Athletics Officials' Education Scheme (AAOES) has been introduced. It provides one seamless and transparent pathway for all athletics Officials, regardless of their affiliation with either Athletics Australia or Little Athletics Australia.

You can help your Centre/Club and Little Athletics SA, by qualifying as an Official.

This course is the first step in officiating, within Little Athletics. The course provides the basic knowledge to allow a parent to officiate at Centre Level and assist at Association Events.

The Officials Course covers all Little Athletics Track & Field events, combining rules with the practical application of them, along with the important aspects of safety, venue set up, recording results and handling equipment.

PREREQUISITE: Introductory Level Officiating General Principles course

We encourage all participants who have registered for this course, to complete the online Introductory Level Officiating General Principles course. To access this course, go to the Australian Sports Commission's [Online learning portal](#), and access the Introductory Level Officiating General Principles course.

Register/login here: <https://learning.ausport.gov.au/auth/login/>

Once you have completed this course, email your **certificate number** to officials@salaa.org.au with your name and contact details.

Officials courses are conducted throughout the year, the majority being staged just prior to, or during the Little Athletics summer season.

Please check the Little Athletics SA website <http://salaa.org.au/officials> for upcoming courses.

Insurance

Insurance is provided for all Little Athletics participants, members and helpers.

V-Insurance Group are proud to act as the insurance brokers and agents for Little Athletics South Australia.

V-Insurance Group has designed a National Insurance Program specifically tailored to meet the needs of Little Athletics South Australia.

The National Insurance Program includes the following insurance options, which have been exclusively designed to provide protection for members at all levels.

- Personal Accident
- Public Liability
- Professional Indemnity

Insurance cover is provided as part of the annual Little Athletics registration fee.

All centres have been provided with an Australian Little Athletics Insurance scheme and the personal Injury Claim Form. If you or your child is injured at the Centre, ask your Centre to complete the form and forward it to the Association Chief Executive Officer.

Interclub Meet

Sunday 8th November 2020

The Interclub Meet is an opportunity for all registered athletes in the Tiny Tots to Under 17 age groups to compete at the SA Athletics Stadium against other centres in a set program.

This event is all about interaction with athletes from other centres as well as promoting a family fun day. It also provides athletes with the opportunity to be introduced and understand the processes of a formal competition. All age groups, including Tiny Tots, can be involved.

The Interclub Meet will use a structured program, with events scheduled for each age group.

Note: There will be no home meet for this date so we encourage all registered athletes to attend and those who attend will earn points towards certificates and the end of season presentations.

Centres in our Interclub meet are: Noarlunga, Mid Coast, Reynella East, Hills and Plympton.

Age Groups: TT - U17

Location: SA Athletics Stadium, Railway Terrace, Mile End

Entry Fee: Included in registration fees.

To participate in this event, athletes must be a registered financial member with a South Australian Little Athletics centre.

Calendar of Events

Entries Close:	11:59PM Wednesday 4 th November 2020.
Age Groups:	TT-U17.
Entry Fee:	\$11.20 per athlete.

CLASSIC #2

Sunday 7th February 2021

Entries Open:	12:00PM Wednesday 23 rd December 2020.
Entries Close:	11:59PM Wednesday 20 th January 2021.
Age Groups:	TT-U17.
Entry Fee:	\$11.20 per athlete.

The State PB Classic is open to all registered athletes in the Tiny Tots to Under 17 age groups, using a structured program with limited events scheduled for each age group. Events not offered at PB Classic #1, will be offered at PB Classic #2.

This competition is all about “Personal Bests” (PB). It provides athletes with the opportunity to be introduced and understand the processes of a formal competition. All age groups, except Tiny Tots, can select up to 4 events to be involved in, with the primary purpose of the event for athletes to strive towards their own personal achievement.

This is a great opportunity for any athlete to come out to the stadium and experience the state’s premier athletics facility!

NOTE: There are no qualification standards or eligibility requirements to compete in this competition, meaning any registered Tiny Tot to Under 17 can participate!

Calendar of Events

SA Power Networks State Relay Championships

Sunday 13th December 2020

Entries Open:	12:00PM Wednesday 28th October 2020.
Entries Close:	11:59PM Wednesday 25th November 2020.
Age Groups:	U8-U17, Mum's & Dad's and Rec Aths.

The State Relay Championships is for registered athletes in the Under 8 to Under 17 age groups.

The State Relay's is a great team competition in which athletes compete as a team in various track and field relays. This event displays excellent team and centre spirit and demonstrates the importance of team camaraderie between athletes. This season has also seen the introduction of the Under 8's to the State Relays to compete in a 4 x 100m Shuttle Relay! Medals are presented for the top three placed teams in each event, in each age group.

Families are encouraged to join in on the fun too with a 4 x 100m relay for females and males. You can enter in the "Mum's and Dad's" category or in the "Recreational Athletes" category. PLEASE NOTE: You must be a registered "Rec Aths" member to participate in the Recreational Athletes category.

Each Little Athletics Centre are responsible for nominating the number of teams they wish to submit for this event, as well as which athletes will make up each team. Any athlete that may be interested in participating in this event should speak to their centre. Centres are required to submit athlete names by 5:00PM Sunday 1st December 2019.

ELIGIBILITY REQUIREMENTS

Eligibility Requirements:

- An athlete must be registered with a Little Athletics SA affiliated centre by no later than Sunday 1st December 2019.
- An athlete must have participated in one (1) centre competition by Sunday 1st December 2019.

DREAM. BELIEVE. ACHIEVE.

Little Athletics SA and Athletics SA are proud to present the:

DREAM. BELIEVE. ACHIEVE. ATHLETICS HOLIDAY DEVELOPMENT CLINIC

This clinic conducted in the January school holidays is open to all age groups from Under 6 through to Under 18.

The clinic is designed to provide opportunities for skill / technique development in the participants desired athletic track and field events through coaching from some of South Australia's best coaches. There is also a Mini Olympics offered to allow the participants to put their learnings into practice!

Our aim is for you to dream... believe... and achieve personal best results!!!

See Association website for more information.

State Combined Event Championships

Saturday 20th - Sunday 21st February 2021

This event is over two days for registered athletes in the Under 9 to Under 17 age groups.

The Multi's is a competition in which athletes participate in a specified number of track and field events, earning points for their performance in each event. Each age group competes in a mixture of running, jumping, and throwing events, where athletes can showcase their all-round ability. Medals are presented to the three highest total point scorers in each age group.

The Under 9 to Under 13 age groups will participate in a pentathlon (5 events), Under 14's participate in a hexathlon (6 events), and Under 15 to 17's participate in a heptathlon (7 events). The pentathlon events are conducted over one day, with the hexathlon and heptathlon events conducted over two days.

As mentioned, athletes accrue points based on their performances in the individual events, with medals presented to the three highest point scorers in each age group. Check the association website for how the points are allocated.

Age Group: U9 - U17

Location: SA Athletics Stadium, 145 Railway Terrace, Mile End 5031

Rules of Competition

Applicable to all Little Athletics SA events held at SA Athletics Stadium

Athletes must be registered

To compete at any Little Athletics SA championship event, athletes must be registered by the specified cut-off date.

Athletes and teams must nominate to compete

All nominations are to be completed on the Members Portal before nominations close for that event.

Full Centre uniform must be worn

This rule is strictly enforced by the Little Athletics SA Officials Club at all championship events. All athletes must report to the designated marshalling area prior to each event, where uniforms will be checked. Athletes not in full Centre uniform will not be allowed to compete.

Wearing of footwear is compulsory

Spikes (7mm max, no more than 11 in number) are only permitted for under 11 age group upwards for laned track events, high jump, long jump, triple jump and javelin. Also allowed are sections of a relay held wholly in lanes. U13 and above may wear spike shoes with spikes fitted in all events and all legs of a relay. No athlete in any age group is permitted to wear spike shoes without spikes fitted or with blanks inserted. No spikes are to be worn for Walks or Cross-Country events.

Entering the competition arena

Only competing athletes, nominated team managers and officials are permitted to enter the competition area. Pacing and coaching in the arena, any other competition area and any marshalling area is prohibited.

Parental support

The full support of every parent and their Centre is essential in ensuring safe and successful competition for the athletes involved!

More detailed Rules of Competition and Little Athletics SA Event details can be found on our website at www.noarlungalac.com.au as they become available throughout the season.

Sun Smart Policy

The health of participants is paramount to SALAA. Skin cancer is a major public health problem in Australia, and it is recognised that skin cancer is preventable and like any other medical condition and is best dealt with by the application of preventative measures. While at State and Centre level efforts will be made to assist in sun protection when at training and competitions, it is accepted that ultimately, the responsibility is that of each individual and/or – in the case of children – their parents or guardian.

Where practical, Centres will endeavour to schedule activities outside the hours of peak UV readings. Where this is not practical, members are advised of the need for extra sun safety precautions during those hours (approximately 10.00am and 3.00pm).

Centres should endeavour to have broad-spectrum water-resistant 30+ sunscreen available for members and for purchase/use by spectators. Participants should be encouraged to use sunscreen appropriately on exposed parts of their bodies, and to re-apply regularly.

Members should be encouraged to wear wide brimmed or legionnaire style hats when participating in Little Athletics events, as peaked caps do not provide adequate skin protection. Members should be encouraged to wear shirts with sleeves and Centres should be encouraged to design uniforms that have collars and sleeves.

Centres should support the use by their members of 100% UV protective sunglasses during SALAA activities. Where natural shade is not adequate, Centres should maximise the use of alternative shade facilities. Where sufficient shade is not available at a facility, the Association or centre depending of the level at which the event is being held, will arrange for alternative temporary shade structures to be made available.

Centres should promote sun safety in a positive way, through newsletters, written literature and over the public address system.

Associations and Centres should ensure that coaches, officials and members in prominent positions will act as strong role models in respect of sun safety practices.

SALAA strongly recommends its Centres and Clubs to adopt and promote similar sun safe policies.

Parents and Guardians of Little Athletes in South Australia should be encouraged to:

- Purchase appropriate sun safe clothing including protective uniform clothing where available for their child's/children's usage
- Provide 30+ broad-spectrum sunscreen or zinc cream for their child/children
- Promote sun safe behaviour to their child/children
- Provide safety sunglasses, which filter 100% of UV for their child/children.

This SunSmart Policy will be reviewed annually to ensure that the document remains current and practical to the Centres and Clubs requirements.

Little Athletics Events

Timekeeping

A timing marshal will be required each week to operate the automated time keeping gates. Chaperones will be responsible for lining athletes up into rows of six and awaiting the marshal's instructions to start. Hurdles will be hand timed.

Hurdles

AGE	DISTANCE	FLIGHTS	HEIGHT
U8-9	60m	6	45cm
U10	60m	6	60cm
U11	80m	9	60cm
U12	80m	9	68cm
U13, U14G	80m	9	76cm
U14B, U15-U16G	90m	9	76cm
U15-U16B, U17G	100m	10	76cm
U17B	110m	10	76cm
U13	200m	5	68cm
U14	200m	5	76cm
U15-17	300m	7	76cm

Race Walking

Athletes may receive a caution from the judge when in danger of losing contact or not straightening the support knee. Each judge may report an athlete for breaking any of the walk rules. Three separate reports will lead to disqualification.

Wearing of spikes

Needle type spikes (7mm at SA Athletics Stadium or 9mm on grass tracks) are permitted for under 11 age group and above in the following events: 100m, 200m, 400m, Hurdles, Long Jump, Triple Jump, High Jump, Javelin, and those sections of relays conducted entirely in lanes. U13 to U17 girls and boys may wear 7mm spikes in all events except race walks. Spiked shoes may only be put on immediately prior to the event and must be removed immediately after the event. All spike shoes must be worn with all holes filled with a complete set of spikes with no more than two blanks/slugs installed. No spikes are allowed for cross country events.

Javelin

The Javelin must be thrown over the shoulder or upper part of the throwing arm. The tip must strike the ground before any other part of the Javelin. Measurement is made from the point where the tip first touches the ground to the edge of the run-up area.

AGE	WEIGHT
U11-12B, U11-14G	400g
U15-17G	500g
U13-14B	600g
U15-17B	700g

Turbo Jav

Turbo Jav follows the same rules as Javelin but is a modified event for Under 9-10. The Turbo Jav is made of plastic and is designed to encourage the correct technique for throwing a Javelin.

Vortex

The Vortex is for Under 6-8 and follows the same rules as Javelin and, like Turbo Jav, is designed to provide young athletes the opportunity to learn the correct Javelin throwing technique.

Shotput

The shot must be held and kept in close proximity to the neck and jaw during the throwing action. Measurement is from the inner circumference of the stop board to the nearest mark made by the shot. The point of impact of the shot must be completely within the inner edge of the sector lines. Athletes must exit from the rear half of the circle.

AGE	WEIGHT	COLOUR
U6-7	1kg	BLUE
U8	1.5kg	YELLOW
U9-12	2kg	ORANGE
U13-14B, U13-17G	3kg	WHITE
U15-16B	4kg	RED
U17B	5kg	GREEN

Discus

Measurement is from the inner circumference of the stop board to the nearest mark made by the discus. The point of impact of the discus must be completely within the inner edge of the sector lines.

AGE	WEIGHT
U6-7	350g
U8-11	500g
U12-13	750g
U14-16B, U14-17G	1kg
U17B	1.5kg

High Jump

Athletes are permitted 3 attempts at each height. Athletes may commence jumping at any height and may pass at any height but not after a baulk. A foul is recorded if the athlete decides not to jump after a baulk. Athletes are out of the competition after 3 consecutive foul jumps whether on the same or different heights. The last remaining competitor may select the height the bar is to be raised (minimum 2cm intervals).

Association rules state that all Under 8-10 age groups **MUST** jump using the scissor technique otherwise will incur a foul. The head of the athlete must not go over the bar before the leading foot

(the foot closest to the bar at take-off). The athlete may land in a standing or sitting position. When landing in either a standing or seated position, the athlete's foot must touch the mat **before** any other part of the body. When landing in a sitting position, the athlete must land on their buttocks (not the lower back).

Long and Triple Jump

Under 6-11 athletes jump from a metre square rubber mat painted black for 500mm and white or yellow for 500mm. The athlete's foot must not protrude onto the white or yellow portion of the mat. The jump is measured from the front of the athlete's footprint on the black portion of the mat. Under 12-17 athletes use a black mat marked with a white take-off board. The athlete's foot must not protrude over the take-off board. The jump is measured from the edge of the board nearest the pit. Measurement is made at right angles to the nearest mark from the jumping mat made by any part of the athlete's body in the sand.

The Triple jump consists of a hop, step and jump. The hop shall be made so that the competitor lands first upon the same foot as that from which he/she has taken off; in the step he/she shall land on the other foot from which the jump is performed. The jump must land in the pit, landing on the runway is a foul. The trailing leg touching the ground is not a foul.

Cross Country Season

Cross Country is a great way for athletes to continue their enjoyment of Little Athletics and keep fit over winter. It's also a great opportunity to keep in touch with the friends you made over summer. It is included as part of your annual registration with only \$2 per race payable to the host Centre to cover costs.

There are many courses hosted by various Centres ranging from the Barossa in the north, to McLaren Vale in the south. The first half of the programme starts with shorter distances which increase later to match the Championship distances. If you meet the qualifying criteria set by the Association, you can enter the Championships held at the end of the Cross Country Program where medals are awarded to the top three places in each age group from Under 9 up. All other competitors receive participation certificates. Results are published on the SALAA website www.salaa.org.au the following week. Towards the end of the summer season, a program will be made available with all the Cross Country venues, dates, times, distances and rules. It will also be available on our website once it has been finalised by the Association.

If you have any questions regarding the events, please contact a committee member.

Good luck and have fun!

Tiny Tots

During the 2001/2002 season, Noarlunga Little Athletics Centre introduced 'Tiny Tots', a program to assist with all aspects of motor skill development in 3-5 year old children.

The 'Tiny Tots' program is based around the fundamental skills of running, jumping and throwing. Movement skills are incorporated into play and game situations that not only improve children's physical abilities, but help them relate to others and have great fun!

Activities include the development of:-

- **Strength** - good muscular strength can enable children to improve their posture and ability to manipulate objects.
- **Body Awareness** - being aware of how the body moves and works helps children become more familiar with their capabilities.
- **Balance** - one of the most important and essential skills required in controlling the body and its movements.
- **Co-ordination** - sequencing muscles and nerves to perform a task, practicing movements through play.
- **Spatial Awareness** - knowing where they are in relation to other people and objects.
- **Healthy Heart** - becoming stronger and fitter as they exercise.

The success of the 'Tiny Tots' program at Noarlunga is reflected in the children enjoying and actively participating in the activities. This is achieved by the careful planning and supervision by the parents who organise the program each week. All parents are encouraged to become actively involved in the 'Tiny Tots' program.

Children must be accompanied by a parent to participate

Your Tiny Tot sessions will be coordinated by the committee with the assistance of all parents of Tiny Tots.

Parental Code of Behaviour

The Little Athletics SA guidelines are:

- Encourage children to participate if they are interested. However, if a child is not willing to do an event, do not force him or her.
- Focus upon the child's efforts rather than the overall outcome of the event. This assists the child in setting realistic goals related to his/her ability by reducing the emphasis on winning.
- Teach children that an honest effort is as important as victory, so that the result of each event is accepted without undue disappointment.
- Encourage children to always participate according to the rules.
- Never ridicule or yell at a child for making a mistake or losing an event.
- Remember children are involved in Little Athletics for their enjoyment, not yours.
- If you disagree with an Official, raise the issue through the appropriate channels rather than questioning the Official's judgment & honesty in public. Remember, most Officials give their time & effort for your Childs involvement.
- Support all efforts to remove verbal & physical abuse at Little Athletics activities.
- Recognise the value & importance of being a volunteer Official and/or Coach. They give their time and resources to provide recreational activities for children and deserve your support.
- Demonstrate appropriate social behaviour, by not harassing athletes, Coaches or Officials, smoking on the arena, or being intoxicated.

Athlete Code of Behaviour

- Never argue with an Official. If you disagree ask your Team Manager, Chaperone, or supervising adult to deal with the matter.
- Control your temper. Verbal abuse of officials or other athletes, deliberately distracting or provoking an opponent is not acceptable or permitted in our sport.
- Work equally hard for yourself and/or your Centre/Club. Your Centre/Club's performance will benefit.
- Be a good sport. Applaud all good results whether they be by your Centre/Club, opponent, or the other Centre/Club.
- Treat all athletes as you would like to be treated. Do not interfere with, bully, or take unfair advantage of another athlete.
- Co-operate with your Coach, club mates & other participants. Without them, there would be no competition.
- Participate in Athletics for the "fun of it" & not just to please parents & coaches.

Season Achievement Awards

Star Achievement Awards

Throughout the season all athletes earn points for participation. Athletes also earn 2 points for achieving and 1 point for equalling their personal best performance on any event. Tiny Tots earn 5 points for attendance. During the season stars will be placed on the “Star Achievement Board” on display outside the office.

15 Points	Green Star
30 Points	Blue Star
50 Points	Red Star
75 Points	Silver Star
100 Points	Gold Star

Tiny Tot Athletes

All registered Tiny Tot athletes will be presented with a “Certificate of Participation” at the end of season presentation.

Under 6-17 Athletes

All registered Under 6-17 athletes will be presented with a “Certificate of Achievement” at the end of season presentation, detailing their personal best performances and the total achievement points earned for the season.

Season Achievement Awards

All athletes, Tiny Tot to Under 17, who have competed during the second half of the season (that is, since the Christmas break) will be presented with a “Season Achievement Award” in the form of a medal with the coloured ribbon representing the Star Achievement level they reached.

Age Group Achievement Award

Those under 6-17 athletes who have registered before 31st December **AND** have competed in at least 3 meets since the Christmas break are eligible to win the achievement trophy for their age group. These are awarded to the boy and girl in each age group who earn the most achievement points for the season. Trophies can be awarded to a shared age group based on the number of athletes, e.g. U13-17 may have one trophy.

Note: Where no athlete meets these criteria, no trophy will be awarded for that age group.

Last season's recipients were:

Age group	Girl	Boy
Under 6	Willow Alexopoulos	Jack Mablesen and Maxwell Yooyen
Under 7	Indiana Henderson	Leonardo Webb and William Young
Under 8	Maliha Kamish	Patrick Murphy
Under 9	Ava McKinnon	Rourke Conroy
Under 10	Ruby Carney	Dane Molenaar
Under 11	Sophie Van Schaik	Kristian Agius
Under 12-17	Matilda Gourlay and Tamika Jeisman	Zayden Kamish

Perpetual Trophies

McDonalds High Achiever Trophies

These perpetual trophies are awarded to the boy and girl athlete who gain the most achievement points for the season. The 2018/19 winners were:

Matilda Gourlay, Tamika Jeisman and Zayden Kamish

Athlete of the Year

This perpetual trophy is awarded to the athlete who gains the highest aggregate of points for the season for achievement points, Centre Best Performances, Best Performances, State or National records set, State Championship events entered and placings at those events. The 2018/19 winner was:

Zayden Kamish

John and Maryke Russell Good Sports Awards

The *John and Maryke Russell Good Sports Award* is awarded to an athlete that demonstrates good sportsmanship throughout the season. Nominations received are voted on by the committee. The 2018/19 winner was:

Shaadiya Kamish

**For previous winners of the perpetual trophies, check the website.*

Taking The Next Step!

If you're a parent and you've been involved for a couple of years and would like to take a further role, here are a couple of things you can do.

1) All parents are invited to become committee members. Don't worry, you won't get overburdened with a huge workload. You can assist in many ways. There are only a few meetings per season. It's an opportunity to contribute to how our Centre is run and a way to utilise your unique skills and experience. Ask a current committee member for more information.

2) Become an Official. You will then be qualified to help guide others as to how the various event rules apply. Ask a Committee member for further details or visit the South Australian Little Athletics Association website for details (<http://www.salaa.org.au/Officials>).

Being a sport that is run completely by the parents of the athletes, it is essential that we continue as parents to strive to 'be our best' as well as the athletes. We can't do it without your support.
