REF: OTA-GSM-220826-3YR35K-R1 · OFFER TO ACCEPT — GRID STRESS MAPPING

GRID STRESS MAPPING · 3-YEAR ENGAGEMENT

YEAR-OVER-YEAR ANALYSIS · FLAT FEE · PER SITE · ANNUAL REPORT EACH YEAR

₱35,000.00

§ 01 The engagement

Year-over-Year Analysis

Annual Grid Stress Mapping¹ read of your site's supply conditions — Monitoring, Recording & Validation structured to align with DOE M&V practice under RA 11285² — with GIS counter-check and a year-on-year delta report.

Equipment Degradation

Degradation profile per monitored unit, updated each year and tied to observed grid conditions, with early flags for components trending toward failure.

Net Zero Profiling · End-of-Life

By Year 3: end-of-life forecast per unit and repair-vs-replace guidance mapped to circular-economy resource-resilience principles (ASEAN Taxonomy v4, EO4).³

Carbon Emission Avoidance

Avoidance documented year over year as inventory documentation for your ESG reporting — not carbon credits, not assurance; quantified claims gated by 7-day IEEE 1159 pre/post logging.

§ 02 Offer to accept

✉ **OFFER TO ACCEPT — TAP TO EMAIL →**

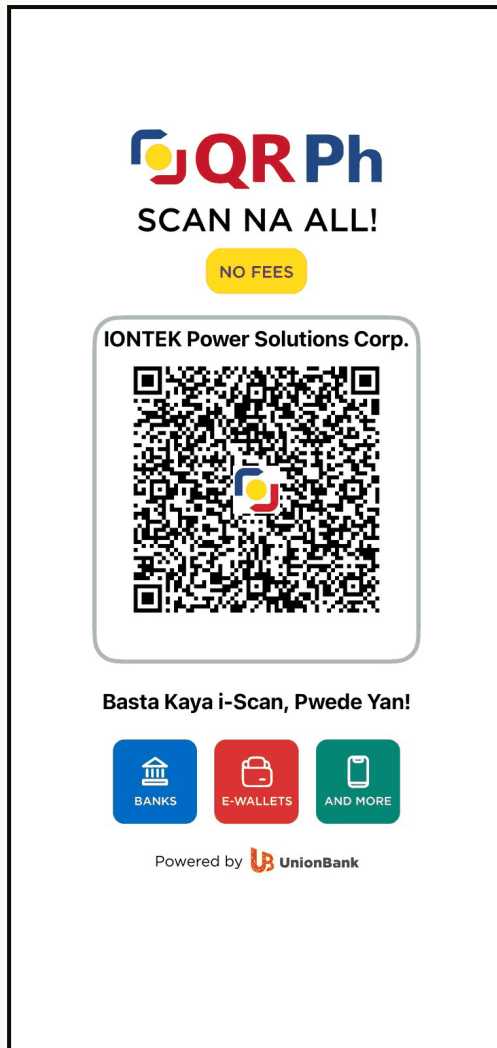

Opens a pre-filled acceptance email · TO: powercheck@iontek-power.services · CC: miles@iontek-power.com

Tap works in digital PDF viewers. On paper: email the acceptance to powercheck@iontek-power.services (cc miles@iontek-power.com) quoting REF OTA-GSM-220826-3YR35K-R1. Your sent email is recorded as the Service Order Engagement.

REF: OTA-GSM-220826-3YR35K-R1 · PAYMENT — ₱35,000.00

S 03 Payment — QR Ph & BDO

UnionBank QR Ph · no fees · all banks, e-wallets & InstaPay participants. Basta kaya i-scan, pwede yan!

Verify account name before sending:

"iONTEK Power Solutions Corp."

BDO Alternative: iONTEK Power Solutions Corporation

Acct No. 0003 3803 8157

✓ **Upon payment — confirmation will be received:** send proof of payment sa Viber +63 917 524 4999; iONTEK confirms receipt, issues your Service Order acknowledgment, and the Official Receipt follows on settlement. Your Year 1 schedule is confirmed in the same acknowledgment.

! **ANTI-FRAUD:** iONTEK will NEVER change bank/QR details by message alone. Any change must be phone-verified: +63 917 524 4999 · (02) 8997-7108.

REF: OTA-GSM-220826-3YR35K-R1 · WALKTHROUGH — HOW TO GET THE DELIVERABLES

S 04 How to get the Grid Stress Mapping deliverables

1	Accept the offer Tap OFFER TO ACCEPT on Page 1 (or email powercheck@iontek-power.services, cc miles@iontek-power.com) quoting this REF. Your sent email is recorded as the Service Order Engagement.
2	Receive the acknowledgment iONTEK replies with your Service Order acknowledgment — restating the engagement terms and confirming payment instructions.
3	Pay ₱35,000.00 Via the QR Ph plate or BDO (Page 2). Verify the account name before sending. Send proof of payment sa Viber +63 917 524 4999.
4	Confirmation received iONTEK confirms payment, issues the Official Receipt on settlement, and locks your Year 1 schedule.
5	Year 1 — Baseline On-site baseline read: Grid Stress Mapping ¹ of your supply conditions, unit inventory, degradation baseline, GIS counter-check. Deliverable: Year 1 Baseline Report (PDF, via email + Viber).
6	Year 2 — Comparison Second annual read against the baseline. Deliverable: Year 2 Comparison Report — grid trend, degradation rate, early flags.
7	Year 3 — Trend + Forecast Three-point trend analysis. Deliverables: Year 3 Report with end-of-life forecast per unit, Net Zero profile, and carbon emission avoidance documentation for the full period.
8	Ongoing All reports are delivered as PDF via email with Viber notification. Findings reviews can be scheduled after each annual report. Any remediation is quoted separately — only after you have seen the findings.
