The Message From Your President - Tom Dagg

We welcomed the month of May with a District and Zone meeting at Camp Heidelberg. Thanks to Lt, Gov. Ann and Gov. Doris for a job well done. Thanks to Ian and John for lending a hand.

We kicked off a bicycle rodeo with the Westvale Optimist club on Saturday May 25. Thanks to our Optimist Rob Parent for organizing with the Westvale club and our club for helping out with this event. It was a very rainy day but we had a few kids, learning the ropes for next year.

We had our member Al Woodhouse, outdoor education teacher with the District School Board, discuss the outdoor programs at our zone meeting. He described for everyone what our facilities have to offer and discussed the wildlife and vegetation that exist on our property.

Everyone enjoyed what was discussed. It is a wonderful program that they offer to local

children.

Next up is an inter club visit with the Arthur Optimist club on June 11th at our clubhouse. We will exchange ideas and have a fun BBQ dinner with fellow Optimist members.

John Moyer and a hardy group of our members chopped down a number of large trees at Bamberg, the lumberjacks were at work. Great to get this done. Enjoy the nice weather around the camp. I encourage you to go for a walk around the property and see what we offer the kids on their excursions with the school board.

As the school year winds down, we will see many kids out there so be careful driving.

Our future is our kids.

Yours in Optimism,

Pres. Tom

The Bike Rodeo was on Saturday at Holy Cross Public School which is on Thorndale Rd. in the Westvale area of Waterloo. It cuts through Westvale. Event was from 11pm-1pm. The Westvale Optimists had arranged and organized everything. Our role was to assist, set up-take down and perhaps introduce ourselves. Also spoke about our role in Heidelberg and Bamberg.

Thanks to everyone who helped.

Optimist Rob, Bike Rodeo Chair

This book on marriage says treat your wife like you treated her on the first date, so after dinner tonight I am dropping her off at her parents' house

A husband reluctantly agreed to play in the couples' alternate shot tournament at his club. He teed off on the first hole, a par four, and blistered a drive 300 yards down the middle of the fairway. Upon reaching the ball, the husband said to his wife, "Just hit it toward the green, anywhere around there will be fine."

The wife proceeded to shank the ball deep into the woods. Undaunted, the husband said "That's OK, Sweet-heart" And spent the full five minutes looking for the ball. He found it just in time but in a horrible position. He played the shot of his life to get the ball within two feet of the hole.

He told his wife to knock the ball in. His wife then proceeded to knock the ball off the green and into a bunker. Still maintaining composure, the husband summoned all of his skill and holed the shot from the bunker. He took the ball out of the hole and, while walking off the green, put his arm around his wife and calmly said, "Honey, that was a bogey five and that's OK, but I think we can do better on the next hole".

The Optimist Creed

Web - kwoptimist.com Email Address - thekwoptimistclub@gmail.com

- Promise Yourself**
- To be so strong that nothing can disturb your peace of mind.
 - To talk health, happiness and prosperity to every person you meet.
 - To make all your friends feel that there is something in them.
 - To look at the sunny side of everything and make your optimism come true.

- To think only of the best, to work only for the best, and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.

- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
