

# Hometown Rail Series Privacy Fence

*Long Lasting, Maintenance-Free Beauty*

# Hometown Rail Series Privacy Fence

The **Hometown Rail Series Privacy Fence** was designed with a simple, clean rectangular look to compliment any home. Manufactured using the highest-quality PVC materials available, it is the perfect blend of a simple design, strength and long-lasting performance you deserve. The **Hometown Rail Series Privacy Fence** will provide you with long-lasting beauty and performance while adding value to your home. Whether you are looking to provide privacy for your yard to simply relax in, or if you are looking to create a unique space for entertaining friends and family, The **Hometown Rail Series Privacy Fence** is the perfect fence choice for your home.

7/8" x 6" Tongue & Groove pickets interlock to create a strong joint to withstand the test of time.

End spacer cap ensures no gaps where Tongue & Groove pickets meet the post. The unique shape design prevents it from falling down into the rail.

2" deep pocket allows greater picket penetration and overlap which provides greater strength and less chance for T&G pickets to come out, while allowing greater racking and sloping ability of the fence section panel for a perfect installation.

Rail locking tabs hold rails securely into the precisely routed post via a computer controlled routing machine. No use of screws to rust, weaken or become loose over time.

*Backed by a Lifetime Limited Warranty, The **Hometown Rail Series Privacy Fence** will be the last fence your home will ever need.*
