Dear Tomball Independent School District Administration and Board of Trustees,

On November 13th and 14th, a peaceful public assembly will be in front of the TISD Administration Building at 310 S. Cherry Street, Tomball, Texas. This assembly intends to highlight the frustration that residents of the Creekside Park community have with the TISD Administration and Board. We have notified the Tomball Police Department of this assembly.

Although Creekside residents are extremely dissatisfied with TISD's handling of the matter, we want to be clear that this is in no way an indication that we are unhappy with our time at our schools or with our teachers, principals, and school staff. We are well aware of how hard our teachers work, how much they care for our children, and their dedication to the schools and community.

This community has previously expressed concern about the proposed location of Intermediate #5 at the Tomball Innovation Center. After exhausting all other attempts to capture the attention of the Administration and Board, these constituents believe this is the only way forward to encourage you to find alternative solutions or stay with the original plan that was marketed before the 2021 Bond vote.

Citizens will gather and take their students out of school in order to make it clear how desperately Creekside residents need their 5th and 6th grade students to remain in Creekside Park.

Please do not hesitate to contact us with any questions or concerns at stand4creekside@gmail.com.

Most Sincerely,

Concerned Creekside Park Residents
