**NORTH HAVEN SONS AND DAUGHTERS OF

LODGE # 2805
MARCH - 2022 NEWSLETTER**

For the millions of immigrants entering the U.S. via Ellis Island, their first sight of America, and all that it promised, was "Liberty." Standing 305 feet high at the mouth of the harbor, she could be seen for miles. For ocean-weary travelers, and especially those in steerage, "Liberty" meant a long-awaited end to a difficult and sometimes dangerous crossing. For millions of immigrants, the sight of "Liberty" meant a new land, a new home, a new opportunity. "For such people," wrote Oscar Handlin, 'Liberty' was not an abstraction, it was the life-giving shelter that gave them air to breathe."

Bocce

We would like to start up Bocce again this year. We had such good times and would like to continue the tradition. It will continue on Friday evenings—starting July 8. We would like to know who would be interested in playing in the league. This is a fun league, all members are welcome to play. The fun goes on after the games. We usually involve some food, other game playing like cards or dominos. T
 The cost is \$15 per person for the entire season and playing any other games. Everyone pays for their own. Please call, text or email me if you are interested.

Kevin Costner (Field of Dreams) stars in *For Love of the Game*, a heartwarming drama about love, life and the perfect game.

Legendary Detroit Tigers pitcher Billy Chapel (Costner) has always been better at baseball than at love. Nobody knows that better than his on-again, off-again girlfriend, Jane (Kelly Preston). At the end of a disappointing season, just before what may be the last professional game of his life, Jane tells Billy she's leaving him. Now, with his career and his love life in the balance, Billy battles against his physical and emotional limits as he plays the game of his life and must come to a critical decision that will change his future forever.
