**2,000+ PEACEFUL 'NO KINGS' EVENTS AND MILLIONS
OF 'BETTER ANGELS' SEND A POWERFUL MESSAGE
TO WASHINGTON D.C. AND THE WORLD....**

A big thank you to Estero Bay INDIVISIBLE, SLO County INDIVISIBLE groups and 50501 volunteers, participants and supporters who helped to make the peaceful SLO County 'NO KINGS' events a huge success!

Nationally, neither the misuse of the police and the National Guard nor the threats of 'use of force' by the FAUX KING himself, could stop the 'better angels of all ages' and their furry friends from coming out to make their voices heard. Political historians have called the No Kings Rallies the second largest protest day in the history of our nation. Only the 2017 Women's March had a larger turn out and it feels like the resistance is continuing to grow every day!

Trump's Tyrannical Tentacles

Estero Bay INDIVISIBLE is now back to work to put pressure on our representatives in Washington D.C. to reject the inhumane and debt busting/billionaire, from enriching 'very ugly bill'. We are also working on multiple issues which you have told us could affect you and your loved ones including Social Security, Medicare, ICE raids and the war in Ukraine.

We have some great volunteer events coming up in July so PLEASE mark your calendars:

Saturday, July 19th 4-5:30 pm Estero Bay Indivisible's 1st 'Meet & Greet' social/info event with guest speaker, Tom Fulks, Chair SLO County Democratic Party.

Saturday, July 26th 11-12:30 pm Estero Bay INDIVISIBLE Peaceful Rally Event, Morro Bay on Main St. in front of Spencer's/Taco Temple.

In the meantime, there are things that **you can do today** to make a difference in our future success.

FIRST, please follow Estero Bay Indivisible on our website and social media sites to stay connected, spread awareness, and help bring more people into the movement—your share could inspire someone to get involved!

The success of the NO KINGS rallies in all 50 states leaves no doubt in our hearts and minds that the destruction of America's founding principles by the Trump administration IS NOT NORMAL. We must continue our resistance because we are always stronger together!

As always,

Joanne
