

What Matters Most?

Whether it is faith, family, friends, or community, each of us has had an impact on the lives of others through the gifts we give. Our legacy is the impact that lasts long after our lives have ended. How do you want to help shape the future? What charitable work must continue? Think of your community as family. Your planned gift can provide for both your family and your community.

Westlock Community Foundation helps people plan endowed charitable gifts that go on giving forever. The original principal of your gift remains untouched, while the investment earnings are used to support the causes you care about. This means your gift, and your legacy, will last forever.

We believe in the boundless potential of our community and the incredible impact we can create when we unite for a common purpose. As a passionate and dedicated organization, our mission is simple yet profound: to nurture, support, and uplift the vibrant spirit of our community through philanthropy and capacity building.

Our foundation serves as a catalyst for positive change, bridging the gap between dreams and reality. With a focus on collaboration, innovation, and inclusivity, we strive to build a stronger, more resilient community that thrives on compassion, creativity, and connection.
