

Spring Garden Tidy

Let Growing Thyme help you revive the garden after spring and prepare for the longer days.

Clearing winter debris & dead foliage
Lawn scarifying, first cut & edging
Weeding borders & garden beds
Cutting back & tidying perennials
Vegetable patches & patio kitchen gardens
Planting schemes & garden design
Patios and paths - jet-washing & moss removal
General garden tidy-up & waste removal

🌿 All work carried out with care for nesting birds and emerging wildlife.

🌸 Get your garden ready now so you can enjoy it all summer long.
