

Capability Statement

STONE GOAT, LLC

Vendor ID: V00036312

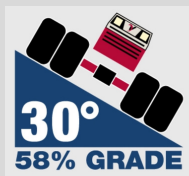

COMPANY OVERVIEW

Stone Goat, LLC specializes in land improvement and management. Our unique tractors have the ability to work well with ease where many tractors are unable to including steep slopes, removal of tall brush and grasses. We work on small to large acreages and also utilize our tractors to assist with construction projects. Our diverse tractor capabilities make our company a one stop shop to help improve, change, and maintain land.

DIFFERENTIATORS

Our tractors can easily handle difficult and challenging terrain:

- Operate sideways on 30 degree slopes
- Low ground impact to preserve surrounding foliage
- Tractors have light ground pressure to minimize ground disturbance
