Discover a Broader Story of the American Revolution

Experience the American Revolution from the perspective of Spanish Texas. Through bilingual interpretive panels, artifacts, historic clothing, immersive displays, and family stories, visitors discover the people, cultures, and events that helped shape Texas and the founding of the United States.

Meet Don Fernando

Created by master piñata artist Alfonso Hernandez, "The Piñata Man," Don Fernando is the exhibition's signature feature. Inspired by the Corriente cattle introduced by Spanish colonists to Texas, he welcomes visitors and celebrates the enduring ranching traditions of Spanish Texas.
