### Letters of Recommendation

Two letters of recommendation are required to submit your application -- a letter from someone in your school and a letter from someone in your community. Use this page to invite your recommenders to upload their letters directly to your scholarship application.

Once you have added in your contributor's first name, last name and email address they will be sent an email. \*\*Please double check that you have typed in their email correctly to ensure they receive the request.

If your recommender does not receive an email from Kaleidoscope, they can also visit: [apply.mykaleidoscope.com/login](https://apply.mykaleidoscope.com/login) and type in their email address as their username. (This is the email you typed in the email field on your application.) Then, they may use the **forgot password** feature to set up a password. Once they are logged in they will see your application request on their dashboard.

When the letter has been uploaded, the nominee will receive an acknowledgement email. The recommender will also receive an email confirmation. **Nominees are responsible for ensuring their recommenders submit letters of recommendation by the application deadline.**

**Q: I am having trouble uploading my letter of recommendation. Can I submit it directly to the review committee?**

Yes, please email your letter directly to [rotary@rotarychampionspikespeak.com](mailto:rotary@rotarychampionspikespeak.com)

**Q: How does the scholar-athlete provide the transcript required in the application?**

**A:** Nominees will upload their transcript directly within the Kaleidoscope platform. This is part of **Section 9 – Academics** in the application.

The screenshot displays the 'Academics' section of the Rotary Champions Winter 2025 application. On the left, a sidebar contains the Rotary Champions logo, the application title, the submission deadline (Friday, March 20, 2026 10:59 PM), and links to 'View Program Details' and 'Application Overview'. The main content area is titled 'Academics' and includes several required fields: 'Grade Point Average (GPA)', 'Class rank', 'Total number in class', 'Does your high school offer honors courses?' (with radio buttons for Yes and No), and 'Your school's highest GPA possible is'. Below these fields is a section for uploading the transcript, with buttons for 'Upload File' and 'Choose Existing File', and a note that 'Files uploaded: 0 (min: 1)'. A red error message 'This field is required' is visible. On the right, a 'Jump to a Page' sidebar lists navigation options: 'Lets get to know you!', 'Athletic Director Information', 'Letters of Recommendation', 'Athletic Achievements', 'Extracurricular Activities', 'School Experience', 'Leadership & Community', 'Community Service', 'Home & Family', 'Academics' (which is selected with a blue circle), and 'Signature'.

**Q: As an Athletic Director, how can I view the status of my school's applicants?**

**A:** Our team is exploring how to make this easier for ADs for the next school year. In the meantime, please email board member Max Levy ([max9levy@gmail.com](mailto:max9levy@gmail.com)) for updated information on your applicants.
