Rotary Champions Scholarship Program

2025-2026

Frequently Asked Questions

Q: *How does the scholar-athlete provide letters of recommendation?*

A: Nominees will use the Kaleidoscope platform to request and receive letters of recommendation from their school and community recommenders. This is part of **Section 10 – Letters of Recommendation** in the application.

After the nominee submits the request to a recommender, he/she will receive an email notification from ***help@kaleidoscope.com*** prompting them to upload the letter of recommendation via the Kaleidoscope platform. When the letter has been uploaded, the nominee will receive an acknowledgement email. The recommender will also receive an email confirmation. **Nominees are responsible for ensuring their recommenders submit letters of recommendation by the application deadline.**

Q: *How does the scholar-athlete provide the transcript required in the application?*

A: Nominees will upload their transcript directly within the Kaleidoscope platform. This is part of **Section 9 – Academics** in the application.

Q: *As an Athletic Director, how can I view the status of my school's applicants?*

A: Our team is exploring how to make this easier for ADs for the next school year. In the meantime, please email board member Max Levy (max9levy@gmail.com) for updated information on your applicants.
