

Congratulations on being nominated for a Rotary Champions scholarship! We created these **helpful tips** to ensure your application process is smooth and efficient.

Tips for Success

Letters of Recommendation

- Two letters of recommendation are required to submit your application -- a letter from someone in your school and a letter from someone in your community.
- You will use the Kaleidoscope platform to request and receive letters of recommendation from your school and community recommenders.
- **Request your letters of recommendation as soon as you begin your application, so your recommenders have time to submit their letters. They will receive reminder emails from Kaleidoscope leading up to the application due date.**
- If your recommender is unable to submit their letter in Kaleidoscope, they may email the letter directly to **rotary@rotarychampionspikespeak.com**
