

**MINUTES of SPECIAL MEETING
CITY COUNCIL MEETING
CITY OF DRAKESBORO
Held October 14, 2019**

The City Council of the City of Drakesboro, Kentucky met in a special session in the City Community Center, Drakesboro, Kentucky, at 4:00 p.m. on October 14, 2019. Mayor Mike Jones called the meeting to order. Mayor called roll and the following members were present: Larry Shrodes, Tex Allen, Joe Studer, Chad Davis, Frank Schmautz, and Mayor Mike Jones. Scott Newman was absent.

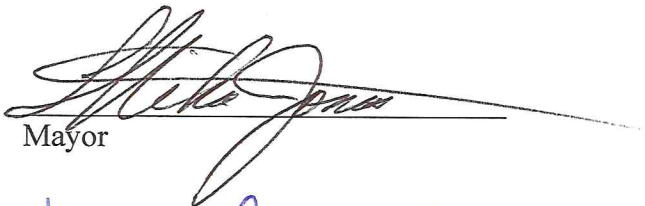

Mayor opened meeting and explained that at the English RV park there were 2 pumps, but only one was currently working. At Keegan, there was 1 pump, but there needed to be one more. Mayor presented 2 estimates for 4 pumps from KLM and Endesol. Mayor stated that if they bought 4 and installed them 2 that are currently working could then be held as spares and the ones that are not working could be rebuilt as spares.

Frank Schmautz stated that as the budget contained maintenance money, he liked the idea of having spares. Mayor stated that Phillip Hardison recommended the more expensive pump, which in his opinion required less maintenance.

Frank accepted the recommendation but thinks that in order to be good stewards of the city and the fact the city could not do the installation themselves, that they should only buy two pumps.

Mayor asked for Motion to buy 2 pumps from KLM Sales & Service. Frank Schmautz made Motion to buy two pumps and Joe Studer seconded motion. Motion passes to buy 2 pumps from KLM Sales & Services.

Mayor asked for Motion to adjourn. Frank Schmautz made motion. Chad Davis seconded motion to adjourn.

Mayor
