

The title card features a light blue background with a subtle snow pattern. Several stylized blue snowflakes are scattered across the scene. The main title is rendered in large, bold, red letters with a yellow outline and a 3D effect. The words "TOM" and "JERRY" are in a blocky, sans-serif font, while "and" is in a smaller, cursive script. "SNOWMAN'S" and "LAND" are in a more decorative, serif font. The text is arranged in a slightly curved, descending manner. A large, soft white snow cloud is visible on the right side of the frame.
