# WHY PARTNER WITH MYSTIFY?

## EMOTIONAL CONNECTION

This convention fosters emotional vulnerability.

Mystify has more honesty and less ego

## THE POWER OF A NICHE COMMUNITY

A golden opportunity for in-person connection that has been lacking in the magic industry.

## REACH A NEW DEMOGRAPHIC

For our second year, we expect roughly 30% of our attendees to be **NEW to magic conventions**, allowing you to reach an unsaturated market of eager, excited entertainers.
