WHY PARTNER WITH MYSTIFY?

EMOTIONAL CONNECTION

This convention will foster emotional vulnerability. Your customers will be in a fantastic headspace to connect with your brand's message

THE POWER OF A NICHE COMMUNITY

A golden opportunity for in-person connection that has been lacking in the magic industry.

REACH A NEW DEMOGRAPHIC

We expect roughly 30% of our attendees to be **NEW** to magic conventions, allowing you to reach an unsaturated market of eager, excited entertainers.
