Lock®**

AMERICAN LOCK®

Master Lock offers the most comprehensive line of safety products available. We have a product that's built for every type of environment, and a lockout solution for every isolation point.

Safety padlocks answer unique facility and identification needs as well as compliance regulations

ZENEX™ THERMOPLASTIC PADLOCKS
Durable, lightweight padlocks withstand extreme temperature, UV and corrosive chemicals

EXTREME ENVIRONMENT
3/16" (4.8mm) stainless steel shackles are optimal for corrosive environments

DIELECTRIC SAFETY PADLOCKS
Non-conductive, non-sparking, and non-magnetic materials ideal for electrical lockout applications

ANODIZED ALUMINUM PADLOCKS
Durable padlocks withstand any harsh environments. Ideal for food processing facilities, oil & gas and mining applications

LAMINATED STEEL PADLOCKS
Proven, economical padlocks stand up to physical abuse

Lockout devices help to easily solve challenging applications

TERMS OF SALE

THE MASTER LOCK COMPANY TERMS OF SALE – EFFECTIVE AUGUST 2022

All orders are subject to acceptance by The Master Lock Company, Milwaukee, Wisconsin, USA

PRICES:

- All prices are stated in US dollars (\$).
- Orders are subject to prevailing prices on order acceptance date.

MINIMUM ORDER:

- US\$50 on all catalog items except parts and keys.

ADDITIONS/CHANGES:

- Once your order has been processed, additions, cancellations or changes may not be accepted. A separate order may be required.
- Items are subject to discontinuation without notice.

FREIGHT TERMS:

- All shipments within the US and Canada are FOB destination.
- Shipments to Alaska or Hawaii will be to US port of exit (Seattle or Los Angeles)
- The Master Lock Company will pre-pay freight charges on all orders over US\$1,500 (based on net prices) to a single destination within the contiguous United States or Canada.
- Orders destined to Alaska or Hawaii ship prepaid to the customer's designated freight forwarder in either Seattle or Los Angeles.
- Freight charges on orders less than US\$1,500 (net) will be shipped on a Prepay & Add basis. Freight charges will be added to the customer's invoice.
- The Master Lock Company reserves the right to select both the carrier and mode of transport when shipping on a Prepaid or Prepay & Add basis.
- Customer is responsible for any charges in excess of normal transportation that result from services requested by the receiving party.
- For an International Shipment that is a Routed-Transaction – the Buyer's [consignee's] freight forwarder is responsible for export clearance and AES filing.

CLAIMS:

- You must report any claims for shortages or damages for which The Master Lock Company or our freight carriers are responsible within 30 days of receipt of merchandise. Contact Master Lock at www.masterlock.com or 1-800-308-9244.
- Receivers must note visible discrepancies on the carrier's copy of the delivery receipt in order for the claim to be considered valid. Visible discrepancies include, but are not limited to, open, torn, crushed or water damaged cartons, piece counts that do not match the delivery receipt, etc.
- The Master Lock Company uses yellow stretch-wrap. If freight is received with stretch-wrap that is clear or any other color, it should be noted on carrier's copy of the delivery receipt.
- Concealed damages must be reported within five business days of receipt of merchandise in order to determine liability.
- All carriers' claims on Prepaid (or Prepay & Add) shipments are filed by The Master Lock Company.

RETURNED GOODS:

- No merchandise may be returned without authorization from The Master Lock Company.
- All returns must have a Returned Material Authorization (RMA) Number issued by The Master Lock Company Customer Solutions. Contact Master Lock at www.masterlock.com or 1-800-308-9244 to obtain an RMA.

- The RMA must be shown on all labels and correspondence with regards to returned merchandise.
- All returns must be prepaid and returned within 30 days of authorization in order to receive credit.
- A minimum 15% handling charge will be assessed on authorized returns.
- Returns received without prior authorization (RMA Code) may be returned to the customer.
- Returns will not be authorized for custom "Made To Order (MTO)" products and/or products built to a specific customer requirement such as laser engraved, master keyed, or keyed alike products.

LIMITED LIFETIME WARRANTY:

Master Lock Company LLC ("Master Lock") grants the following warranty: If this product or any part of the product fails due to a defect in materials or workmanship at any time during the life of the product, Master Lock will, at its own discretion, repair or replace the product or part free of charge. Simply contact Master Lock at www.masterlock.com or 1-800-308-9244 for instructions on obtaining repair or replacement. Return of the defective product or part at the customer's expense, along with proof of purchase, may be required. This limited warranty applies only to defects in materials and workmanship, and does not cover products which have been abused, altered, damaged, misused, cut, or excessively worn. THIS WARRANTY IS LIMITED TO REPAIR OR REPLACEMENT ONLY. This limited warranty does not cover labor for removing, reinstalling or refinishing the Product or part, or other materials removed, reinstalled or refinished in order to repair or replace the Product or part. TO THE EXTENT PERMITTED BY LAW, MASTER LOCK DISCLAIMS ALL OTHER IMPLIED OR EXPRESS WARRANTIES INCLUDING ALL WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT THAT ANY IMPLIED WARRANTIES MAY NONETHELESS EXIST BY OPERATION OF LAW, SUCH WARRANTIES ARE LIMITED TO THE DURATION PROVIDED BY LAW.

LIMITATION OF LIABILITY:

This limited Warranty is your sole and exclusive remedy against Master Lock and Master Lock shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary, or otherwise, including property damage, lost revenues and lost profits, arising out of any theory of recovery, including statutory, contract or tort. Notwithstanding the term of any limited or implied warranty, or in the event that this limited warranty fails of its essential purpose, in no event will Master Lock's entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you. Some states and provinces do not allow limitation on how long a limited warranty lasts, so the above limitation may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province.

Products purchased in the EU are governed by consumer laws which provide statutory guaranty rights in addition to the warranty stated on any packaging or website associated with this product. Any warranty stated on any packaging or website associated with this product is not valid in Australia. Product sold in Australia is governed by the consumer warranty contained in the Australian Consumer Law

CALIFORNIA PROP 65:

The products identified in this guide may contain a California Prop 65 warning. To the extent any such product is sold or made available for sale to consumers in California, the warning must be provided to the consumer prior to purchase. See 27, Cal. Code of Regs., § 25600, et seq.

How To Order

Orders may be placed via Electronic Data Interchange (EDI), online ordering at www.masterlockshop.com, or via e-mail at orders@mlock.com. If you need further assistance with your order, please call The Master Lock Company Customer Solutions at 1-800-308-9242 or 1-800-308-9244. To best assure order accuracy and validate information, we reserve the right to require a hard copy of an order prior to processing a phone request

Order confirmation is available via e-mail. For convenience, online order tracking is available 24 hours a day at www.masterlock.net. Please contact our Customer Solutions Team for details.

When Ordering Products, Please:

- Indicate your customer account number, billing address (including zip code), contact name, phone and/or email address.
- Specify complete model number, quantity, and price.
- Be sure to specify key number if needed.
- Order by units listed, such as each lock or package of service parts.
- Indicate color of lock if applicable, (i.e., 410YLW).
- When ordering combination locks for schools or institutions, indicate name and location address (including zip code) of end user.
- When ordering laser engraving, indicate clearly which areas of the padlock to engrave. **All engraving requests must be accompanied by a fully completed laser layout sheet found at www.masterlock.com**

Customer Solutions Hours: Weekdays 8:30a.m. to 5:00 p.m. Central Standard Time (C.S.T.). Orders may be emailed 24 hours a day. All orders received weekdays by 3:00 p.m. C.S.T. will be entered the same day.

EDI

The Master Lock Company is able to accept purchase orders, transmit invoices and Advance Ship Notices (ASN), and receive forecast and Point of Sale (POS) data via EDI. The Master Lock Company utilizes the ANSI X.12 standards. For more information on EDI, contact your Master Lock Company Sales Representative.

TERMS AND CONDITIONS

ORDERING:

- Direct purchasing distributors with registration and log-in credentials can place orders on-line at www.masterlockshop.com. Click on the Express button to register for Express ordering.
- Alternately, Express orders only can be placed via email lockexpressorders@mlock.com
- We guarantee to ship all orders received by 2 p.m. C.S.T. second business day.
- Each Express order is shipped complete.

ORDER CONSIDERATIONS:

- No laser engraving, special stamping, immediate key charting, or Edge® key control options offered. Key charting can be done by filling out and submitting a key registration form.
- Maximum order of 400 items per day per distributor. If you have a larger order, please contact Customer Solutions.
- Minimum order of US\$50. Minimum order is waived when placed at www.masterlockshop.com.
- If you have any questions or need more details, please contact Customer Solutions at 1-800-308-9244.

PRICING:

- For all padlock orders, there is a 15% additional charge on the final padlock configuration.
Ex. 410RED list price (Express): **\$19.25** = \$16.74 x 1.15
A1105KAGRN list price (Express): **\$21.95** = (\$17.90 + 1.19) x 1.15
- For all lockout devices, kits, and stations there is no additional charge.

FREIGHT TERMS:

- Standard freight qualification terms apply to this program. Premium delivery (i.e. next day, 2 day, etc.) costs are the customer's responsibility.

SPEED INDEX

These pages are provided as a convenience. In the case of a discrepancy between what is shown here and what is calculated using the padlock configuration pages, the configured price takes precedence.

PROFESSIONAL LOCKOUT SERVICES

Master Lock Professional Lockout Services has the expert guidance and industry-leading experience to help facilities meet their safety goals.

Building the Lockout Management System Tailored for Each Facility

Master Lock Professional Lockout Services can take a holistic approach to build a customized, best-in-class lockout management system or focus on the select elements that will make significant improvements in a facility's safety program.

ASSESSMENT

Our safety experts conduct in-depth, on-site assessments to evaluate the current state of a lockout tagout program and identify methods of improvement. The recommendations from the assessment can be used to design a best-in-class lockout/tagout program that achieves heightened safety, practicality and efficiency for personnel.

WRITTEN PROGRAM

A team of safety consultants will develop a company-wide written lockout program that takes an efficient approach to meet and exceed compliance requirements.

WRITTEN PROCEDURES

Our technicians complete an in-depth analysis of equipment and energy sources to create detailed lockout isolation procedures.

TIERED TRAINING

We empower organizations to create a safer work environment. Achieving a compliant lockout management system requires ongoing training. Our safety certified staff will come on-site and lead all or any of the hands-on courses requested. We offer the following training courses:

- Authorized Personnel
- Affected Personnel
- Lockout Procedure Creation
- Lockout Practitioner Workshop
- Lockout Leadership

PROPER EQUIPMENT

Our safety experts can provide recommendations on the necessary safety padlocks, lockout devices, and identification tags for a best-in-class lockout management system.

ACCESS

Experience has shown it should take less than 15 seconds to access lockout equipment. Keeping the necessary equipment close and easily accessible by authorized personnel saves time, eliminates excuses, and helps prevent damages and injuries. We provide the assessment and training to improve access to lockout equipment within a facility.

AUDITS

Our safety experts offer on-site review of lockout procedures and programs to help ensure compliance requirements are met. We deliver a summary report which includes best-practice recommendations and corrective actions.

Estimates for services will be provided once the scope of work has been identified.

For more information about Master Lock Professional Lockout Services, speak with a Master Lock Sales Representative or visit www.masterlock.com/PLOS.

ARC FLASH AND ELECTRICAL SAFETY SERVICES

Arc Flash Risk Assessments and Electrical Safety Services are the latest in Master Lock's arsenal of safety services. Our goal is to help you become compliant with NFPA 70E® and OSHA 29 CFR 1910 Subpart S and make sure your organization is employing best practices to mitigate the potential of electrical-related injuries and protect your employees.

EVALUATION

Conduct a thorough 2-day evaluation of your facility and current electrical work practices to understand the working environment, your electrical safety experience level, and your initiatives to improve or create an electrical safety program at the site.

WRITTEN PROGRAM

To comply with OSHA 29 CFR 1910 and meet the requirements of NFPA 70E 110.5, employers must implement a written safety program to protect all employees, contractors, and visitors from electrical hazards while on site. Through on-site or off-site consultation, our team will assess your workplace to develop facility-specific topics and language that should be included in the electrical safety program.

ARC FLASH RISK ASSESSMENTS

The Master Lock Arc Flash Risk Assessment offers a comprehensive understanding of the risks and hazards within your facility. To help you effectively address any identified challenges, it provides the incident energy, required PPE, safe working distances and warning labels for each piece of equipment.

IR THERMOGRAPHY INSPECTION

To help identify potential hazards in the workplace, infrared inspections are utilized to find areas within the electrical system with excess heat

TRAINING

Employee training is required initially and every three years, and when changes to your system occur to maintain compliance. Training courses include hands-on kits and cover electrical codes and standards, electrically safe work practices, and employee responsibilities to help sustain your program.

QUALIFIED WORKER PROGRAM

In addition to electrical safety training, a qualified person must be able to demonstrate the skills and knowledge related to the construction and operation of the electrical equipment and installations. Our program assesses the workers based on their jobs, tasks and equipment and documents their ability to safely perform their work.

ELECTRICAL SAFETY AUDIT

An electrical safety audit identifies potentially hazardous electrical situations and helps ensure compliance with NEC®, NFPA 70E® and 70B® and OSHA 1910.331-335.

Estimates for services will be provided once the scope of work has been identified.

For more information about Master Lock Arc Flash and Electrical Safety Services, speak with a Master Lock Sales Representative or visit www.masterlocksafety.com

REDUCE. REUSE. RECYCLE.

Master Lock is proud to do all three

PROTECTING PEOPLE AND THE PLANET:

Master Lock manufactures the majority of Safety padlock components in our ISO 9001 North American facilities.

Master Lock is committed to stewardship of the environment, to the people who make and use our safety products, and to the communities where they are made and used.

A NUMBER OF MASTER LOCK PRODUCTS HAVE BEEN UL ENVIRONMENT VERIFIED FOR RECYCLED CONTENT.

UL Environment works to advance global sustainability by supporting the growth and development of environmentally preferable products, services and organizations.

REDUCE

Our Master Lock Safety Zenex™ padlock bodies are molded using a hot runner injection molding process that results in virtually no scrap material.

REUSE

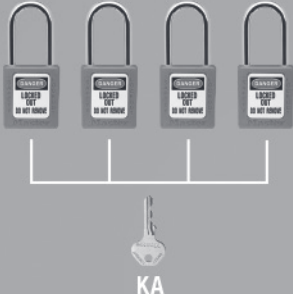

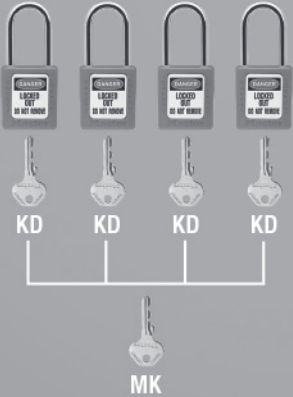

Precision engineering, durable materials and recommended padlock maintenance ensure all Master Lock Safety padlocks are long lasting.

RECYCLE

Master Lock Safety padlocks use a significant percentage of recycled metal. Steel shackles, brass keys and cylinders, as well as our aluminum lock bodies are all manufactured using recycled material.

ULTIMATE KEY INTEGRITY Multiple keying options available to meet any facility system needs

KEYED DIFFERENT	 KD KD KD KD	<p>Each lock is opened by its own unique key which does not open any other lock in the set – complying with the “one employee, one lock, one key” mantra</p>
KEYED ALIKE	 KA	<p>All padlocks in the set are opened by the same key so only one key is necessary to open numerous padlocks – for employees who need many locks, they still only have one key</p>
MASTER KEYED	 KD KD KD KD MK	<p>A master key opens all locks within the system while each lock also has its own unique key – allows for responsible removal of improperly placed or forgotten lockouts according to your emergency notification policy</p>

Key charting is one aspect of a successful lockout program. For advice on other aspects of setting up a safety lockout program please visit www.osha.gov or your country's appropriate governing organization.

Register your facility's keying system at:

LifeGuard™

One Employee. One Key.

KEYING OPTIONS TO FIT YOUR FACILITY'S NEEDS

- A no-charge Key Charting System – Critical for Safety Lockout Padlocks
- Prevent duplicate keys from entering the workplace and jeopardizing your lockout/tagout program
- With Lifeguard™, record all safety padlock key codes assigned to your facility
- Complies with the “one employee, one lock, one key” directive

HOW TO REGISTER YOUR WORKPLACE

- Visit www.masterlock.com/business-use/safety-keying-critical-component-lifeguard for instructions and registration form
- Once registered, Master Lock will send you an End User Identification Number for your site's Key Chart. Use on future padlock orders and Master Lock will use a new key code for each padlock on the order
- When used properly, this free service ensures that each employee at your facility carries a key unique to them
