

# Mindful and Free – Community Guidelines

## Effective Date

August 31, 2025

## 1. Purpose of Our Community

Mindful and Free was created as a safe and supportive space dedicated to education, advocacy, and empowerment. These Community Guidelines outline the standards of behavior expected from all who engage with our website, blog, and related platforms to ensure respectful, inclusive, and constructive dialogue.

## 2. Respectful Communication

We expect all participants to communicate with kindness, empathy, and respect. Disagreements are natural, but discussions must remain civil and free from harassment or hostility.

## 3. Zero Tolerance for Bullying and Harassment

Harassment, bullying, hate speech, intimidation, or personal attacks based on race, gender, sexual orientation, religion, disability, or any other identity will not be tolerated. Violations may result in removal of content or restriction of access.

## 4. Inclusivity and Equity

Our community values the dignity of every individual. We encourage diverse voices and perspectives, especially from those who have historically been marginalized or silenced. All members must contribute to an environment where everyone feels safe and valued.

## 5. Protecting Vulnerable Voices

We prioritize the protection of individuals and groups who may be more vulnerable to bullying or harm. Content that demeans or targets these voices will be removed immediately.

## 6. Responsibility of Participation

By engaging with Mindful and Free, you agree to uphold these guidelines. Content shared in comments, messages, or other interactions should be thoughtful, constructive, and aligned with our mission of fostering empathy and resilience.

## **7. Moderation and Accountability**

We reserve the right to monitor discussions, remove inappropriate content, and restrict or block users who violate these guidelines. Our goal is to ensure that this community remains a place of encouragement, mindfulness, and growth.

## **8. Reporting Concerns**

If you encounter behavior that violates these guidelines, please notify us so that we can take appropriate action. Reports will be handled with discretion and care.
