FORMICA UNANIMOUSLY APPOINTED TO VACANT BOARD SEAT of DONNA SCHEUREN (See Minutes)

THURSDAY June 22, 2023, Special Board Meeting Souderton School District

2.1 Public Comments

Ms. Buetikofer announced that she is a current candidate for School Board and expressed displeasure that she nor any of the other candidates had been contacted regarding the appointment to fill the vacancy on the Board.

Solicitor Mr. Sultanik responded that the Board had no obligation to contact any one prior to making their appointment and that the appointment was being made in the public.

Mr. De Meno spoke about previous vacancies on the Board and how they had been filled by accepting applications and holding interviews. Mr. De Meno stated his belief that this Board was acting without transparency.

Board member Mr. Brong stated that he had personally reviewed the resumes of all current candidates for school board.

Board member Mr. Braccio asked for everyone to keep in mind that the current vacancy is a fulfillment of the current term, expiring in December of this year.

Board members Mr. Nelson, Mr. Kwiatkowski and Mrs. Flisak all expressed support of the appointment of Mr. Formica to fulfill the vacant seat on the Board.

A **board of directors** vacancy for the Souderton Area School District was filled by appointment last Thursday during a special board action meeting.

William Formica of Harleysville was appointed to fill the seat vacated by **State Representative Donna Scheuren** (R-147), who announced her resignation following the municipal primary in May. Formica, a Republican, is currently running for the school board and secured enough votes in the May primary to appear on the November ballot. Scheuren was first elected to the school board in 2011 and her current term would have expired this year. During Scheuren's run for the state house, Formica was the treasurer for her political action committee, Friends of Donna Scheuren.

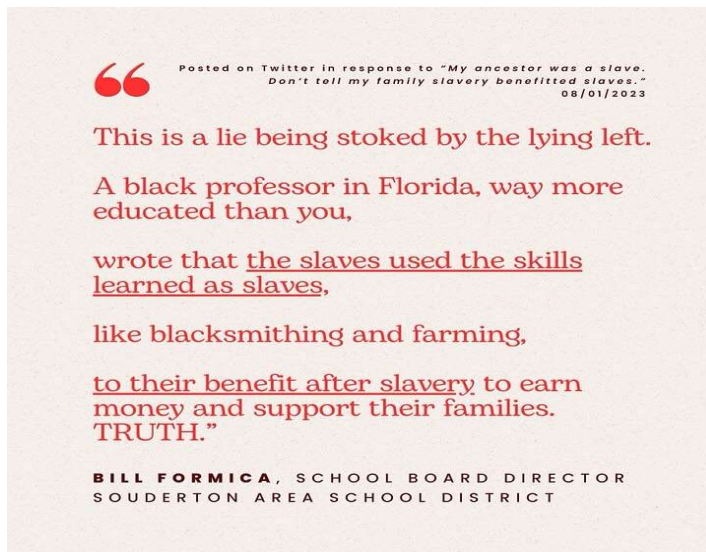

Numerous posts on social media have highlighted Formica's political ideology, including photographs of the "Let's Go Brandon" sign outside his office, the **Three Percenter** anti-government militia movement insignia on two different vehicles, and the 'AR15 LVR' license plate on his truck.

This is all a lie being stoked by the lying left. A Black professor in Florida, way more educated than you, wrote that the slaves used the skills learned as slaves, like blacksmithing and farming, to their benefit after slavery to earn money and support their families. TRUTH.

If character truly counts, why was he appointed in the first place?

Why does everyone still gush over teachers? They have a great gig. Can't be fired, only work 9 months out of the year, great pension, and no accountability for their performance. There are many jobs that are much worse.

Kyle Rittenhouse is a hero. Anyone that saw the video knows this. He took out violent scum that the trying to kill him. A stronger case of self defense has never existed. If you are too dumb to defend yourself, you probably deserve what's coming.

Teachers need to stay in their lane. I don't want a perfect stranger that sees my kid 5 hours a week for 1 year spewing their morals, values, politics, and ideology on my children or grandchildren. Maybe they skipped that in your "masters" training

Yes, people that don't speak english have wonderful opportunities here. LOL. They are here for the handouts (my tax money) Can't wait to find out how many you have invited to live with you. Have you hired any? Put your money where your mouth is.

DO WE WANT HIM MAKING DECISIONS FOR OUR CHILDREN?
