January 2021

Greetings from your ALPOA Board of Directors! It is time to renew your annual ALPOA Membership for 2021.

We all share a special pride as New Mexico mountain property owners. Although membership in ALPOA is optional our purpose is to promote the general maintenance, enhancement and well-being of real properties located in the Alto Lakes Golf & Country Club subdivision, and to represent the interests of the owners of these properties in matters that come before the Board. **Currently, we have approximately 990 property owners who are members of ALPOA.**

Due to Covid-19 restrictions in 2020, ALPOA activities were limited, however, we have continued working with the ALG&CC Board and its commissions and committees, Lincoln County government officials, the Alto Lakes Water and Sanitation District, etc., on behalf of all the property owners. We look forward to a more active year in 2021, with your support, of course! We have included some of our activities, planned and ongoing, on the back of this letter for your information. These things can only be accomplished with your help! ALPOA membership is for a calendar year. This appeal is for the 2021 membership period. Our dues remain at a low \$25 per household, (these dues are NOT a part of your annual ALG&CC membership dues). Our dues are a modest fee which has not increased for many years.

The 2021 membership form is included. Please fill out the form, enclose your check payable to ALPOA. Mail it today in the enclosed self-addressed envelope. **DO NOT MAKE CHECK PAYABLE TO ALG&CC.**

**THANKS FOR YOUR SUPPORT.**

Sincerely,

Your ALPOA Board of Directors
