

ALPOA OCTOBER 2021

alpoa.info

Alto Lakes Projects, Outreach & Activities

“I’m so glad I live in a world where there are Octobers.”

ANNE OF GREEN GABLES

Happy Fall, ALPOA members!

First, I want to tell you how completely disappointed our cast and crew of “LIGHTS OUT IN LONESOME GULCH” was not to be able to bring our Murder Mystery Dinner Theatre to you last month. We made the decision to postpone the production because body microphones were not yet functioning due to various issues. But, we move on. Because we want our summer folks to be able to see the show, we are working on June 2022 dates. Maybe even a 3 night run with different characters murdered each night?! Watch for announcements in the spring so you can book reservations early, and thank you for understanding!

Thank you, Elaine Wedgeworth, for speaking with Lincoln County Roads Superintendent, Jeff Hunnicutt regarding ALPOA concerns. He indicated that he would make sure new signs go up on El Camino. It is a split road needing DO NOT ENTER signs to hopefully keep folks from going the wrong way. If you are familiar with this road, you know how dangerous that would be. Mr. Hunnicutt also indicated that the county will repaint the golf cart crossing stripes across High Mesa.

ALPOA will be supporting our club by paying half of the landscaping bill for new landscaping at the Outlaw Pavilion. It is looking great and will certainly add to the beauty of that facility.

We have set a date of December 7 to sponsor a FIREWISE informational meeting with guest speaker MARY LAVIN. Mary is Timber Management Officer for the New Mexico Forestry Division, Capitan District. This meeting will be held at ALGCC and will be live streamed as well as videoed. It will be available to view on our website alpoa.info. We want all our members to have access to this information. Fire is a very real threat to us here in Alto. We need to be informed on the FIREWIRE PROGRAM, so please plan to attend or tune in!

FALL HIGHWAY CLEANUP IS SCHEDULED FOR TUESDAY, OCT. 19 AT 9 AM. PLEASE COME - WE MEET AT THE CENTURY 21 ASPEN OFFICE. LOOK FORWARD TO SEEING OUR WONDERFUL ALTO VOLUNTEERS!

Dedra Mergele
President, ALPOA 2021
