

## **August ALPOA (Alto Lakes Projects, Outreach & Activities) Newsletter**

Welcome to August! I can't think of anything more welcome or more enjoyed than the rains we have had during this year's monsoon season. Seeing everything so green renews my spirit!

ALPOA sponsored the July 3rd parade and Rally Round the Flag program and the feedback has been tremendous. It is you, the members, who made this day so wonderful! Please check out our website <https://alpoa.info/> for photos under photo gallery.

MARK YOUR CALENDARS!!!

Signs are now up on both sides of the cart crossings to warn street traffic and hopefully create a safer path for golfers. Please be alert as you approach these crossings when you are driving on roadways.
