Happy December, ALPOA members!

Here we are in our last month of the year and I must take a moment to say how much it has meant to me to be your 2021 President. My sincere thanks goes out to YOU for supporting ALPOA!

Early in the year, your membership dollars paid for the slab for the new pavilion at Outlaw. You supported us in checking out our new website, [alpoa.info](http://alpoa.info) in April. You picked up litter with us at our Neighborhood Cleanup and celebrated the new fishing dock at Outlaw Pond in May. We all killed thistles using ALPOA provided vinegar and members volunteered for Highway Cleanup in June. Your turnout for our ALPOA annual meeting where we learned about the Fitness/Aquatic/Pool project was nothing short of phenomenal. Bingo attendance set records in July for dollars made for the ALGCC Scholarship Program thanks to YOU. Speaking of July, your golf cart decorating skills are unsurpassed and if the July 3 patriotic program didn't make you tear up, surely it came close! And thank you for making your reservations for the sold out “Lights Out at Lonesome Gulch”, our murder mystery dinner theater production in September. Due to audio problems at the club, we had to postpone this show but have now booked it for June 21 & 22, 2022. The cast and crew are still very excited about bringing this great show to you.

In October/November, your membership dollars also helped ALGCC landscape the area around the Tennis/Pickleball complex at Outlaw.

Thanks to ALPOA, we now have better signage at golf cart crossings and on one way split roads. YOUR input provided many other suggestions that we intend to consider in 2022.

And now here we are...December brings to a close a busy year and your membership made so much possible for our ALGCC community. Please tell your friends and neighbors to join ALPOA. We really need you and with only a \$25/year/property membership cost, how can you go wrong?!!!

Upcoming Events - Mark your calendars!

Friday Feb 11, 2022 - "Love is in the Air" musical dinner show

June 21 & 22, 2022 - "Lights Out in Lonesome Gulch" murder mystery dinner theater show

Finally, we are thrilled to have new 2022 board members and these folks are eager to be involved in helping ALPOA make Alto Lakes Golf and Country Club an even better place to be. More on this in January!

Now go spread love and kindness!

With much affection,

Dedra Mergele

ALPOA President 2021
