

ALPOA Avalanche – February 2021

Hello everyone! It is the time of year when we send out our Membership Letter and ask for your \$25 per household. Thank you for promptly sending those back to us!

We are working hard to process 2021 memberships and would like to review a little bit of what ALPOA does with your money. As you know, ALPOA is not the same as Alto Lakes Golf and CC.

We were founded to create and carry out projects for the betterment of our ALGCC community and also to create fun entertainment for you to enjoy. Please know that we welcome any and all suggestions you may have!

Speaking of projects, our current one is the construction of a Fishing Dock at Outlaw Clubhouse Pond. This project is set to begin in Spring 2021 and be completed in Summer 2021.

At our next ALPOA Board meeting, February 9 at 3pm, we will hear a presentation by Elaine Wedgeworth regarding a new Patio Cover/Pavilion at Outlaw that ALGCC will be building.

ALPOA is looking at project ideas in conjunction with this new structure. Elaine works very hard on the Alto Lakes Golf and CC Long Range Planning committee and is such an asset to our community.

Our ALPOA Board of Directors looks forward to hearing her ideas.

Another exciting development is ALPOA Productions. This is a group designed to create new and fun programs for our members. That's YOU!

Currently we are working on a new Murder Mystery Dinner Theatre show! This is very exciting for us, particularly because of the updated Pavilion stage!

ALPOA hopes to bring this show to you some time in 2021, depending on Covid restrictions.

Thank you so very much for your membership!
Have a wonderful February and stay warm!

Dedra Mergele
2021 ALPOA President
