

ALPOA NOVEMBER 2021

alpoa.info

Alto Lakes Projects, Outreach & Activities

“Autumn carries more gold in its pocket than all the other seasons.”

JIM BISHOP

Welcome to November, ALPOA members!

This has been a busy year with so much accomplished and more yet to come!

ALGCC will be doing the ALPOA billing of your \$25 membership beginning in December for the 2022 year. This is going to save ALPOA \$2,000/year in mail out costs which is what we have done in the past. That is money we can put toward projects to improve the club. We want you to know this is coming and we are thrilled that ALGCC will be saving ALPOA these dollars so we can accomplish more for all members!

If you have the chance, please go by to see the landscaping that has been done at the Outlaw Pavilion. The plantings are getting acclimated and will look more and more beautiful every year. Thank you to Tom Bloemendaal, our ALGCC general manager, for accomplishing the move of the Pavilion. This year, ALPOA partnered with the club to pay for the Pavilion foundation and half the landscaping cost.

Heads Up... watch for upcoming announcements regarding ALPOA Productions' February Valentines show. It will be musical in nature and be titled “LOVE IS IN THE AIR”.

Another reminder...December 7, mark your calendar to attend or watch online - the FIREWIRE informational meeting with guest speaker Mary Lavin. Mary is Timber Management Officer for the New Mexico Forestry Division, Capitan District. She is an outstanding speaker and has lots of info for us.

As always and especially at this season, we are thankful for you, our members. Please encourage your friends and neighbors to join ALPOA. It is an organization which strengthens our sense of community, improves our properties and is just a lot of fun!

**Dedra Mergele
President, ALPOA 2021**
