

SILLY WINTER CHARADES

Cold hands warming up

Goose flapping
but not flying

Raccoon hiding inside
a hollow stump

Snow inside your boot

Snowball throwing

Getting tangled in lights

Owl turning its head
all the way around

Hat blowing away

Woodpecker knocking
loudly on a tree

Hanging a wreath

A penguin slipping on ice

Sneezing into cocoa

SILLY WINTER CHARADES

Bird pecking for seeds
under snow

Leaf swirling
dramatically in the wind

Bunny
hopping on snow

Bird puffing up feathers
to stay warm

Being a snowdrift

Opening a pinecone

Acorn sprouting
like a dancer

Mouse popping out
of a tree hole

Skunk walking
slowly and proudly

Coyote howling
to the winter moon

Tree shaking off snow

Frost spreading
on a window

SILLY WINTER CHARADES

Snowman losing its hat

Snowman searching
for its arm

Snowman melting

Wrapping a gift

Snowman dancing

Eating a sticky candy cane

Walking on slippery ice

Decorating a tree

Acting like an icicle

Walking in strong wind

Bear getting sleepy

Snowflake floating slowly
