FDM

“Thank you again for all your support and encouragement during my journey to find new opportunities within IET (attended many conferences this year 2025) and new leads for jobs.

Through your networking Mark, I was given the opportunity to explore more about IET membership on the first event launched on 22/07/25 and applied for membership (MIET).

I was awarded membership (MIET) on 29/08/2025.”
