

# Why choose a metal roof?

A metal roof adds value to any style of home. Here's what makes metal roof tiles the smart choice.

**Reduces Waste**

**Lower Lifecycle Cost**

**Zero Maintenance**

**Higher Resale**

**Lower Energy Bills**

**Lower Insurance**

While Vicwest has always been passionate about building durable and sustainable products, we're equally passionate about producing them in the most environmentally responsible way. We're building for tomorrow by focusing on four main pillars:

**Carbon**  
Emissions  
Reduction

**Energy**  
Building  
with Solar

**Circularity**  
Zero Waste  
to Landfill

**Water**  
Rainwater  
Harvesting

Vicwest Inc. reserves the right to amend product specifications without prior notice. Product specification, thicknesses and colors shown in this document should not be taken as being available and reference should be made to the current Vicwest price list and color chart or advice should be sought from Vicwest's Customer Service Department. The information, technical details and/or installation guidelines etc. included in this literature are given in good faith and apply to uses described. Recommendations for use should be verified for suitability and compliance with actual requirements, specifications and any local building codes, applicable laws and regulations. For other applications or conditions of use, Vicwest offers a Technical Advisory Service, the advice of which should be sought for uses of Vicwest products that are not specifically described herein.

Colours shown in this document are representative only. Final colour selection should be made from actual colour samples which are available through our Sample Store. Colour accuracy may vary due to printing processes and may not be accurately represented on screen. All colours and finishes may not be available in all regions.
