17	Make it a little bit less real. When I had to steal the drugs everyone looked at me. Maybe tell them this is what would happen if anyone did this for real and not just have it happen. Make sure that they all know that it's not real. It was kinda scary having all my friends look at me and criticize me through the whole thing. Just make sure they know it's fake. OK?	4/4/2019 8:05 AM

23	Go faster in that amount of information you could've told people about all the different drugs in one place show them some stuff in the other instead of a long unnecessary little theater show.	4/4/2019 8:01 AM
24	They shud talk more about what happens if you take drugs	4/3/2019 8:40 AM
