Resting in the Lord

"I have fought a good fight, I have finished my course, I have kept the faith.

Henceforth there is laid up for me a crown of righteousness, which the Lord, the judge, shall give me at that day, and not to me only, but unto all them also that love his appearing".

11 Timothy 4: 7-8

Expressions of Love

Dear Granny,

I will forever love you. We spent so much time together from me always asking for some stickers or me wanting an ice cream float, I will never forget those moments. You were a very strong woman and I'll never forget that. The love you had for your family was so passionate, and I could never ask for a better granny. I will miss going to the window and being nosey, while we acted like no one could see us through the window. I'm going to miss you so much and I will love you always and forever.

Love Neviah (Monkey Girl)

To My Granny,

You will always be remembered and forever loved. I am thankful to have had you as my granny. Thank you for always making me feel special. Thank you for always loving me in a way that only a grandmother could. Thank you for your Godly example as a wife and mother, with unconditional love towards everyone. I will miss your smile, your extremely tight hugs, our telephone conversations and visits. As far as I can remember, those weekends with you were memories I will cherish. I will miss hearing you call me by the special name you gave me "Spice". Being your first grandchild, you spoiled me with love and I am grateful. Thank you for always loving and giving your best to me and my brothers. May you forever rest in peace. Give Dedrick "Scooter" and Jalen one of your tight hugs for me, lol

Love Tia (Spice)

Mama,

Words cannot express the gratitude we have, God gave us such an awesome mother you taught me how to be a GOOD wife and mother, I learned from you how to spoil my grandkids (you taught that well). The Bible said to honor your father and mother, I tried to do the best I could. You gave so much of yourself to me and my brothers and never complained. You gave us what we needed and what we want, you was just that kind of mom. Seeing you laying in the hospital was so heartbreaking but the morning you left us left a hole in my heart. I already miss you so much, until we meet again, love you one and only daughter!

Linda Gail Patton Grice

Mama,

Thank you for your unconditional love and support. You never once turned your back on us, you stood with us through thick and thin. We will miss you. Rest on our sweet mama

Your Boys,

Gregory, Anthony, Eric and Chris
