

THREE

A WOMEN'S RESPITE CENTER

A safe environment for vulnerable women

Most human trafficking does not involve kidnapping or physical force. In most cases, traffickers use manipulation, lies, and other psychological tricks to coerce victims into performing sexual acts.

CHRISTMAS AT THREE!

Help us make Christmas time at THREE extra special this year! The staff and volunteers of THREE would love to pass out a gift to each woman we serve this holiday season. Items we are looking for include makeup, perfume, throw blankets, and candles! Please email tayprusinski@gmail.com for collaboration.
