

# A SAFE PLACE TO HEAL AND REBUILD

## OUR TRANSITIONAL LIVING HOUSE

is more than a roof over your head--it's a community of safety, support, and second chances

We welcome:

- ✓ Those experiencing homelessness
- ✓ Individuals in early addiction recovery
- ✓ Anyone needing a stable, supportive environment

Here residents find:

- ✓ A safe, sober space to call home
- ✓ Connection with others on a similar journey
- ✓ Guidance, accountability, and encouragement
- ✓ Hope for a stronger future

No one should have to walk through recovery or rebuilding life alone.
