

Seymour Action 150 – July 25, 2020

Due to unforeseen scoring problems at the Outagamie County Fair Enduro we were unable to download the results as we normally present them. We did spend over 30 hours reviewing scoring notes, lap times and video to verify the top 20 positions. The results were broken down into 4 categories: Top 5, 6-10, 11-20, and all other participants 21-66. Thank you to everyone for understanding.
