Greetings from Navajoland:

It's hard to believe how fast this summer has gone by! School has started and it's time for us to begin thinking of our fall ministries. Pray for all our students as they begin a new school year and for the FMN fall ministries.

FAMILY CAMP:

We praise the Lord for the good Family Camp this past summer. We averaged 150 people in attendance each evening. All the cabins were full and there was good fellowship and lots of learning. It was exciting to see the Holy Spirit move in the hearts and

lives of those in attendance. There were many who rededicated their lives. We praise the Lord for the 7 teenagers who accepted the Lord as their personal Savior. Continue to pray for these who started a new walk in Christ and those who made decisions. Thank you for your prayers and support. We are still in the red for family camp. So if you'd like to give and help us get back in the black, we'd be thankful. Pray for us as we began to make plans for FAMILY CAMP 2026!

CHRISTMAS OUTREACH:

It's also that time of year to start thinking about our Christmas Outreach programs. We are looking forward to sharing the Good News of Christ with the lost on the Reservation. We will be going to several church-

es, schools and Senior Citizens centers. The churches will be reaching out in their communities.
