Greetings from Navajo land:

It is hard to believe that 2026 is halfway over. We praise the Lord for His faithfulness to us. We are thankful for the monsoon rains we have been receiving. It has brought us much needed moisture.

Family Camp:

We praise the Lord for the good Family Camp we had this past June. Our theme was “Living by God’s Spirit”. Those in attendance were challenged to obey the Spirit and His Word. Our morning sessions averaged 85 people in attendance, and the evening sessions averaged 150 people in attendance. We are praising the Lord for the rededications in the adult meetings and the four teens who accepted Christ as their personal Savior. Continue praying with us that the Holy Spirit will continue to work in people’s lives. We are also thankful to Alethia Albrecht who came from PA to help us out at family camp this year and the many other volunteers who helped. Thank you for your prayers and financial support that made it all possible.

Christian Bible Academy:

This past spring we had our CBA classes. It was well attended; we had about 22 in attendance and had three who graduated. Pray for the students that they will go back to their churches and use what they have been learning in their communities.

Summer Groups:

We are thankful for the groups that came to minister at several of the churches. The groups hosted VBS’s and helped with work projects around the churches. Pray for those who attended the VBS’s that the Holy Spirit will continue to work in their hearts. We do have opportunities for churches, youth groups, families, and individuals to come and minister with us.

Christmas Outreaches:

It is time to start preparing for our Christmas outreaches and we’re looking forward to the opportunities to share the Good News. Last year we had 15 meetings with about 1,000 people who attended. We praise the Lord for the seven Children who accepted Christ as their personal Savior. We are thankful for all our volunteers who helped us out and for all those who gave financial gifts and who sent gifts for the gift bags.

We have begun our work in the “Store House” preparing gift bags. Here are some suggestions for gifts:

New Field Director:

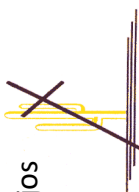

We praise the Lord for our new Field Director, Irvinson Jones, and would like to introduce him.

Greetings! Yá'át'ééh is our common greeting here on our Navajo homeland. It is a privilege and an honor to begin my newest position of service with Flagstaff Mission to the Navajos, after 16 years of serving a Navajo church, located on the northeastern border of the Navajo Nation.

I am excited but also well aware of the spiritual and practical needs that I am being called to share in, alongside the Executive Director, my predecessor Melvin Nez, the few mission staff and missionary pastors of the eight mission churches, and the membership of these faithful Christians who make up much of our ministry and are in fact the reason that we even exist. I wonder—as I write this—just how God will work through me, and what more He will work in me. I think of Apostle Paul who wrote, “for it is God who works in you both to will and to do for His good pleasure.” (Philippians 2:13). Doesn't this verse rightly articulate the energy behind all that we do as believers? This is what excites me: I know that God works and He graciously involves us in the ministry of His Word to the people whom He calls. Right now, He continues to call many Navajos to Himself despite many of the cultural and worldly vices with which the enemy endeavors to keep us spiritually bound. Please join me in prayer as I begin in walking alongside these faithful servants who have served for many years in their God-given places of ministry.

Should you want to know more of who I am—my background, conversion story, maybe even to hear me teach/ preach the wonderful Word of God, I can be contacted via Flagstaff Mission to the Navajos. It would be an honor to know who you are. Thank you.
