The Secretary of the Wrecking Crew will be notified "in advance" if the member has a conflict with attendance at any Wrecking Crew Command Function. This notification is for man-power logistics only and is not an excuse for failure of attendance.

If a Wrecking Crew member misses more than Three (3) full Wrecking Crew Commands with any 6-month period, the member shall be brought before The Board to explain members actions.

The Board will determine appropriate action depending on the situation and assurances that the lack of participation will not be an ongoing problem. Appropriate action may consist of fines to expulsion.

1. Leave of Absence – Can be granted by the Board of Directors for a period not to exceed 6 months (Exception being active Military Duty). Member has to send a letter to Secretary and appear before the Board of Directors at the next scheduled Board Meeting.
