

# ***Harmonix Duo***

Rechargeable Silicone Couples Vibe

Instruction

We know you are eager to start playing with your new Harmonix Duo toy, but please take a moment to read through our user manual before your first time.

## Getting Started

- Press and hold the power button for 3 seconds to turn your Harmonix Duo on. The LED light will turn on.
- Continue pressing to cycle through 4 speeds and 6 powerful patterns to find your favorite function.
- Use your Harmonix Duo wherever you like.
- Press and hold the power button for 3 seconds to turn your Harmonix Duo off. The LED light will turn off.
- Enjoy!

## Pairing with AMZ App

- Press and hold the power button for 3 seconds to turn your Harmonix Duo on. The LED light will turn on. [Pairing the app will reset your Harmonix Duo to its first vibration setting]
- Open the AMZ app and go to the pairing section (Sync option is represented with a chainlink symbol on the top right of the home screen).
- Select your toy from the available devices list.
- Follow the on-screen instructions to complete the pairing process.
- Don't forget to turn off your Harmonix Duo too!

## Charging

- Charge your Harmonix Duo before first use.
- Only use original chargers provided by SecGuo.
- Before every charge, make sure the DC socket is free from water or lubricant residue.
- Gently insert the DC pin into the socket on the toy. You should hear and feel a subtle click.
- Insert the USB end into any USB port.
- The LED will pulse to indicate Harmonix Duo is charging. The LED will stay on when fully charged.

## Cleaning, Storage, Safety

- Always clean your vibrator thoroughly before and after each use.
- Wash using warm water and antibacterial soap, rinse, and pat dry with a lint-free cloth or towel.
- Never use cleansers containing alcohol or acetone.
- Avoid leaving in direct sunlight and do not expose to extreme heat.
- Store in a cool, dry, dust-free place, out of reach of children and pets.
- Do NOT use with silicone-based lube.

## Specifications

## Troubleshooting

- The LED does not pulse when charger is connected.
- Battery is fully charged.
- Battery is drained and will need a few minutes to acknowledge that it is being charged.
- Charger is not properly connected.
- Harmonix Duo does not activate when power button is pressed.
- Battery is empty and needs to be recharged.
- Having trouble pairing the app with toy?

If you encounter pairing issues, please try the following:

- Ensure that your toy is within the app's Bluetooth range.
- Restart both your app and the toy.
- Check if your device's Bluetooth is enabled.
- If the problem persists, contact our customer support for assistance.

## Warranty

- Every SecGuo product comes with a standard 5 year warranty covering defects in materials and workmanship. Please visit [www.secguo.com/pages/warranty](http://www.secguo.com/pages/warranty) for more information and warranty claims.
- If you have any questions regarding operation or if you experience any other problems, please email us: [support@secguo.com](mailto:support@secguo.com) or call toll-free: (888) 6-SECGUO.
