Product Features:

What's more important than "Togetherness?" This beautifully designed strapless strap-on features a creamy soft silicone exterior, 3 powerful motors, and can be used with the remote control, or manually. "Togetherness" is all about bringing couples closer and enhancing their sexual adventures. Whatever your pleasure, "Togetherness" can and will enhance your intimate journeys whether your down with GOGA or maybe your curious about pegging. With its 3 speeds, 7 functions, and bulbous end to help keep it in place "Togetherness" takes sex to a new level no matter who's playing. More fun, intimacy, and orgasms are what "Togetherness" is all about!

USE GUIDE:

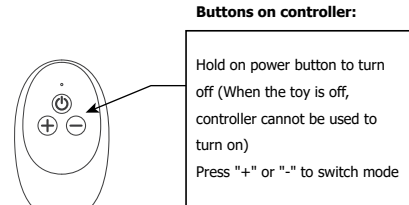

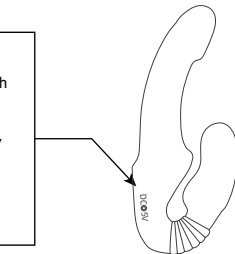

Power button on toy:

Hold down power button to switch on/off.
When power is on, press power button again to switch mode.

Charge:

Indicator light will blink when charging cable is connected with power outlet/computer USB.
(When battery is extremely low, the indicator light may take 1-2 minutes charging time to start blinking.)
