

MEET ME at KUPUNA PLACE !

Prince Albert Park

The Rotary Club of Hanalei Bay is celebrating a wonderful new partnership with the Princeville at Hanalei Community Association (PHCA) and AARP. Inspired by a Rotary AARP grant to fund a FitLot exercise circle in Hawaii, we invite YOU to make our vision of

KAUA'I KAPUNA PLACE a reality!

To complete our vision, we are adding an **Aloha Pavilion** for meetings, classes, and socializing. It will be a launching pad welcoming all. There will be benches, a new drinking foundation, bathroom upgrades, safety railings and landscaping. To get around easily, there will be much-needed ADA pathways. All of these are located between the beautiful banyan tree, the children's playground and convenient to the parking lot of Prince Albert Park.

Our goal is raising \$250,000 for Kaua'i Kupuna Place and we want your help.

JOIN THE KUPUNA MOVEMENT!

Say YES for Kaua'i Kupuna Place.
Say YES for healthy senior lifestyles.

Seniors represent a third of Princeville's population. Many are isolated with sedentary routines. Seniors deserve more than a park bench.

Kaua'i Kupuna Place's goal is to promote senior health and well being with new friendships and a more active life. Support the KUPUNA MOVEMENT. Encourage our kupuna to enjoy an active lifestyle!

Kauai's FitLot completes AARP's commitment to have one FitLot, an outdoor fitness center, in every US state by the end of 2021. The 42' diameter exercise circle is specifically designed for the needs of seniors. The FitLot has been recently completed thanks to a generous \$250,000 grant from AARP.

The award-winning design features twelve exercise stations for balance, flex, and strengthening movements. Any senior can enjoy FREE certified training. Open dawn to dusk, the park is an easy walk to shops and services.

The FitLot is a key feature of the first park-dedicated area for our Kupuna in the state of Hawaii. The FitLot has been completed **in just 4 months.**
