

Friendship Spool Block

This block is the one we will be using for the Block Lottery in March 2024 at our Spring Retreat.

Please follow the instructions below to make your 6 ½" unfinished block.

Use any shade of brown fabric for the spool section. Use a light background and any tone on tone color for the thread of the spool. Make strip sets in varying shades of that particular color.

Cutting instructions:

Background (A) 2" x 6 ½", cut 2

Brown (C) 1 ¾" x 3 ½", cut 2

(D) 1 ¾" x 1 ¾", cut 4

(E) Make a strip set using 6 or more fabrics of your choice color.

Cut the strips in varying widths not to exceed 5" long. Sew together and trim 3 ½" x 4".

To assemble block:

Draw a diagonal line on the wrong side of (D) squares. WRTST sew them on the diagonal to both ends of an (A) rectangle. Assemble the block in 3 rows, referring to the picture below. Block should measure 6 ½" square.
