

# IS DOGSDEVOTION THE RIGHT PLACE FOR YOUR DOG?

DogsDevotion is a busy family home. Our home is full of fun, love and plenty of calm time too. It is important when looking for a holiday home for your dog, that you find the correct environment for them to stay, ensuring they are happy and their behaviour and character is suitable for the home.

## WHAT DO WE REQUIRE FROM YOUR DOG?

- ✓ **Fully vaccinated**
- ✓ **Up to date with flea and worm treatment**  
(I advise tick treatment in spring and summer)
- ✓ **Sociable with strangers especially children**
- ✓ **Sociable with other dogs**  
eg. does not bite, snap, growl or attack other dogs  
We offer solo stays for dogs who are reactive or dislike being around other dogs
- ✓ **Does not have separation anxiety**  
and can be left for periods of time without barking or destructive behaviour
  - Can be left for a maximum of three hours.
  - can remain behind a barrier such as a baby gate/crate or door for their safety
  - Can sleep downstairs in their bed without a human present
- ✓ **Fully House trained**  
We are happy to help with dogs in the process of house training but we need to be made aware of this before their stay

We will discuss each dogs requirements on an individual basis. If your dog does not settle or is displaying inappropriate behaviours you will be asked to collect them
