

Sisters salutes...

Courtney Snead wrote:

“On behalf of the Madras Aquatic Center Recreation District board of directors, staff, and patrons, thank you to the Sisters Country Pickleball Club and Sisters Park & Recreation District for all of their advice and support as we begin building a pickleball program.

They have shared all of their files, equipment recommendations, and even made the trek to Madras over the last few months to run clinics on pickleball. We appreciate the neighborly spirit of the group and wanted to share our appreciation and gratitude with Sisters Country.”
