

October 20, 2024

Hello SPC members

A few updates.

Winter Play Instructions, based on feedback there are two changes:

1. **Change.** Court Reservations and Open Play slots will become available every Monday morning at 7:00 am, for the following week, Monday through Saturday. Players may also reserve any open courts and/or open play spots in the current week if available. Open Play, (Tuesday and Thursday evenings and Saturdays), are round robin format and 10 players are allowed on the wait list.
2. **Change.** It was previously communicated that there will be two sessions on Saturday mornings. The Club has decided to start with **one** Saturday morning session from 9-11am and monitor the sign-up list. If heavy signup activity occurs, a two-session format will be considered.

Note: All play times are fee based. Morning court reservations are \$20/court for the 2-hour block, and, evening and Saturday open play times are \$5/player. Guests \$10.

Under Consideration

3. Monday through Thursday mornings may be moved to 9:00-11:00 am from 8:00-10:00 am. This change is based on feedback regarding early hours and winter weather and must be approved by SCC.

Club Website

The website needs to be redesigned to reflect our new Club. The Website is presently hosted by GoDaddy. If you have some experience in web design and would enjoy a creative opportunity, please contact Clark Brody at clark.brody@gmail.com.

The current website is being edited to maintain minimal information until we can find a volunteer.

Club Logo

The previous club logo was created in 2019 and has served the Club well. It is the hallmark design on nearly 250 tee shirts. However, since the Club is now a nonprofit with a new name, Sisters Pickleball Club, a new logo or adjustment is needed. If you have a design for a new logo, please submit it to Bruce Carpenter at bcbcb Blues@hotmail.com by December 15, 2024. The submitted logos will be shared with the membership for a vote.
