

## **New Forest Airfields Heritage Centre Display Development Project supported by New Forest LEADER funding**

The New Forest Airfields Heritage Centre Display Development Project is supported by the 'European Agricultural Fund for Rural Development'. This project consists of upgrading the existing wall mounted information display panels and introducing interactive screens, together with a projection facility. The upgrading and installation work was carried out during the 2018/19 winter months and was ready for the 2019 Open Day programme.
