

## **FONFA Out and About**

Over the years we have had exhibitions and displays at a variety of events in the region. These are often both hard work and great fun. The photo below gives a flavour of what we have done, from our own Aviation History Fairs, numerous fairs and exhibitions, the wonderful 2014 event at Lymington on the old landing ground, RAF Ibsley events and helping provide both models and displays for the WW2 room at Hurst Castle.
