Driver Education

Anyone between the ages of 14 and 18 who wishes to drive must take and successfully complete an Iowa approved or comparable **Driver Education Course**. Ron Bandy offers High School Driver Education at the North Liberty Community Center. This course requires a minimum of six hours of on the road instruction and 30 hours of in the classroom instruction. An Iowa instruction permit is needed prior to taking the course. The instruction or learners permit may be received at age 14 after passing a written exam given at any Iowa Dept. of Motor Vehicles or D.O.T. licensing office.

Tuition for Driver Education is \$400.00

Adult Driver Education:

For adults and students who want to improve their driving skills or obtain their driver's license.

Motorcycle Instruction & Licensing:

BRC-I Basic Rider Course: For those who want to safely and legally operate a motorcycle on public streets. A motorcycle license is available at age 16 providing the student has successfully completed a state approved driver education and motorcycle education course (if under the age of 18). Parental consent is required for those under 18. A certificate for a motorcycle license is available upon successful completion of this course. Most classes will be limited to 6 riders. Motorcycles are provided, usually 250cc or less. No prior experience is necessary; students are expected to be able to ride a bicycle. **Online E-course completion certificate is required prior to attending the BRC-I & BRC-II class.** Students may use their own motorcycle or scooter for this course providing it is no larger than 500cc, complies with Iowa Safety Standards, and the student has evidence of insurance.

BRC-II Course: This course is for those who already have experience riding motorcycles and wish to review or update their riding skills. Certificate for a motorcycle license is available upon successful completion of this course. Riders may use their own motorcycle or scooter providing they comply with Iowa Safety Standards and have proof of insurance.

Dirt Bike Classes \$100.00 approximately 6 hours long. It is an excellent and fun way to learn how to ride a motorcycle (dirt bike) in the dirt. The motorcycles that are used for instruction range from 250cc to 80cc. Students may use their own dirt bike providing it fits the student and is safe to ride. Adult classes (16 yrs +) are limited to 8 riders. Classes for families may be available. Please call for details **HELMET, EYE PROTECTION, LONG SLEEVE SHIRT, GLOVES, LONG PANTS & OVER THE ANKLE BOOTS ARE REQUIRED AND MANDATORY FOR ALL BRC, BRC-II, & DIRT BIKE CLASSES.**

Moped Classes are for those who want to safely and legally operate a moped on public streets. An instruction permit and completion of a 6 hour moped safety course is necessary for anyone under 16 yrs or without any other type of valid license.

COURSE OBJECTIVES:

The course will provide opportunities and encouragement for students to always do their best. A primary objective is to develop safe, competent, courteous, law abiding, happy, informed and responsible drivers/riders. This course goes beyond the basic skills needed to get a license. Emphasis is placed upon the driver's/rider's abilities, the vehicle, having constant control, making good decisions and continual regulation of space and speed. The interaction and application between the driver/rider, vehicle, and the driving environment will be constantly practiced, tested and reviewed.
