

PERMANENT WATER RIGHT TRANSFER

RESOLUTION OF BOARD OF DIRECTORS
OF
BLACK CANYON IRRIGATION DISTRICT

IT IS HEREBY RESOLVED that Black Canyon Irrigation District determines that the member will not irrigate a given number of acres that they have the right to irrigate under their existing water right, that individual may contact the office of the Black Canyon Irrigation District, sign a certificate as approved by the Board of Directors of the Black Canyon Irrigation District that they will keep those acres forever dry. This transfer, however, must be to lands on the same conveyance system as approved by the Board. The individual, who has lands within the District that they desire to obtain the transferred water right, must put this water to use during the irrigation season, and complete the following steps:

1. All fees on both accounts must be paid in full at the time of the transfer request.
2. A description of metes and bounds, or other description acceptable to the District, of the land to be dried up and the land to which the water is being transferred must be submitted with the application to transfer.
3. An administration fee of \$200.00 must be paid to the Black Canyon District at the time the transfer is filed with the District Office.
4. If the land to which the water is to be transferred is not classified and the land is greater than five acres, then the reclassification request must be made to the BOR. The expenses incurred by the Black Canyon Irrigation District to reclassify shall also be paid by the individual seeking the transfer.
5. Any transfer of water usage must be able to be accomplished by existing infrastructure of the Black Canyon Irrigation District.
6. **No** transfer of water usage may be to lands lying outside the bounds of the Black Canyon Irrigation District.
7. If the transfer takes place during the irrigation season, it is the responsibility of the landowners to know how this will affect their water consumption for the year. By signing the form they agree that any excess charges incurred due to this transfer are their responsibility and the District is to be held harmless.
