Introduction

This guide explains how to submit your academy trust's audited financial statements, auditor's management letter and your annual summary internal scrutiny report to the Education and Skills Funding Agency (ESFA). This includes completing an online form – the [accounts submission coversheet](#).

It is important that you provide us with accurate information on the coversheet. We use the information you provide from your audited financial statements, auditor's management letter and annual summary internal scrutiny report to understand any significant issues faced by your trust and by the sector more widely. This is part of our framework for obtaining assurance that academy trusts have used public funds for the purposes intended.

The benefits of you using the [accounts submission coversheet](#): is to enable us to provide more timely feedback on our findings, supporting your trust and the sector more widely. Additionally, you may find a saved copy of your submitted coversheet useful to give to your board of trustees, as it provides a useful summary and highlights key areas of interest.

Academies Accounts Direction requirements

The [Academies Accounts Direction](#) sets out what is expected from academy trusts. This includes:

- what documents must be submitted
- what information these documents must include
- which trusts are in scope
- the submission timetable

Submission arrangements

We have retained the same submission process as last year and you will be able to submit your audited financial statements, auditor's management letter and annual summary internal scrutiny report within the accounts submission coversheet itself. This will continue to make it easier and quicker for trusts to submit these documents in one place.

You should ensure that all of these documents are uploaded at the same time within the accounts submission coversheet, in Portable Document Format (PDF) format and by the deadline of 31 December 2023.

Please note that your audited financial statements are not the same as your [accounts return](#), details, about which have now been published.

Accounts submission coversheet

You will need to complete an [accounts submission coversheet](#) and upload all three documents within the coversheet. You will need to have your audited financial statements, auditor's management letter and your annual summary internal scrutiny report to hand when completing it. Further guidance on how to complete the coversheet is set out [below](#).

What has changed in this edition?

The main change made this year is:

- where there is a regularity modification raised by either the Accounting Officer or the Reporting Accountant due to either **related party transactions** or **special severance payments**, we have amalgamated the number of drop-down options into one, for ease in completion of the form.

Part 1: accounts submission coversheet access and navigation

Before you access the coversheet

Ensure your web browser (the software you use to access the internet) is the latest version available. Using an outdated browser may mean the coversheet will not display correctly. You can find more information on upgrading your browser on <https://www.gov.uk/help/browsers>

Access

You can access the coversheet from the [Academies Accounts Direction](#) page.

Registering and logging in

You may have used this type of form before, for example for your previous Accounts Submission Coversheet (ASC) or School Resource Management Self-Assessment Checklist (SRMSAC). You should log in using the same details as before. Your DfE sign in or IDAMS registration details will not work when you try to access this form.

If you have not previously used one of our online forms, then the first time you access the accounts submission coversheet you should register and log in. You will need to create a password when you register through 'Sign up now'.

Before you begin

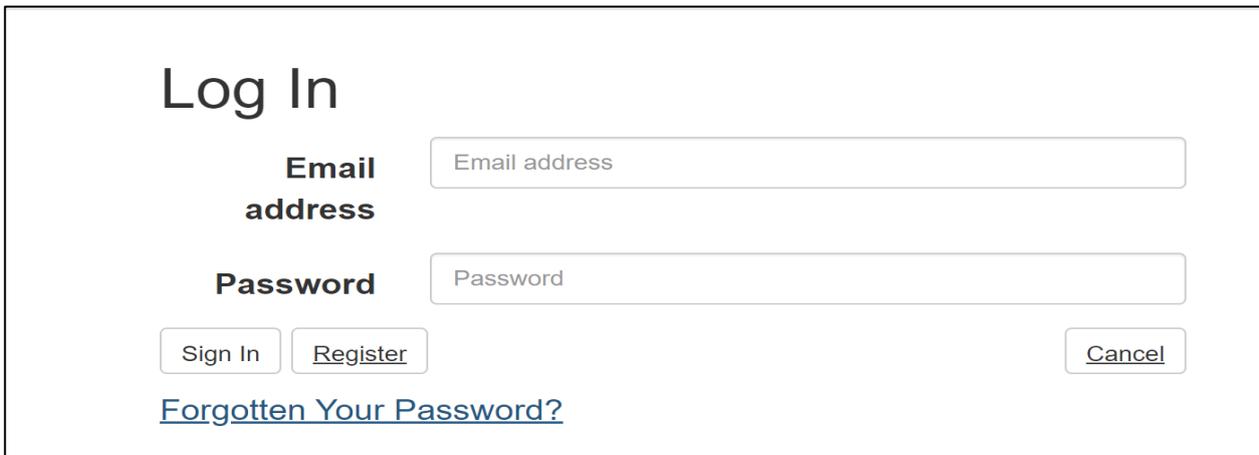

Sign up for an account with the Department for Education. Creating an account will save you time as it will allow the system to auto-complete your contact information when completing forms. It will also give you the ability to save information at any point.

[Sign up now](#)

[Log in](#)

If you have forgotten your password

You can reset your password by selecting the 'Log in' link. You will need to select the 'Forgotten Your Password' link.

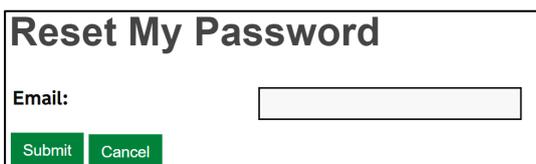

The screenshot shows a 'Log In' form with the following elements:

- Log In** (Section Header)
- Email address** (Label) and an input field containing the placeholder text 'Email address'.
- Password** (Label) and an input field containing the placeholder text 'Password'.
- Buttons: **Sign In**, **Register**, and **Cancel**.
- [Forgotten Your Password?](#) (Link)

You will then need to enter the email address, which you have previously used to access the accounts submission cover sheet account and select submit. Depending on the level of internet traffic, there may be a delay in you receiving the password reset email. If the password reset does not appear in your email inbox within 30 minutes, before contacting ESFA, please check your junk / spam email folders.

If it is not in one of these folders, we advise you to check with your IT Department to ensure that there is no firewall in place which may block the password reset email from being delivered.

The screenshot shows a 'Reset My Password' form with the following elements:

- Reset My Password** (Section Header)
- Email:** (Label) and an input field.
- Buttons: **Submit** and **Cancel**.

Moving around the coversheet

You can use the tab key on your keyboard to move to the next question once you have completed your response, or you can select through the form using your mouse.

To make sure you do not lose any information when moving between sections, you should fill in each section in sequence and select 'Save' then 'Continue' when complete.

The screenshot shows two buttons: **Continue** and **Save**.

You should not use the 'back arrow' in your browser. You can move between sections by selecting the appropriate tab at the top of the screen.

Financial statements Management letter Internal scrutiny report Your details Summary

Occasionally, when information is processing or uploading, you may experience a delay in moving from screen to screen. Please wait for the screen to load; you will receive an error message if there is a problem.

Exiting the coversheet

If you have logged on, you can exit the coversheet at any time before submission. You will have to use your login details when you re-enter the system. Providing you have saved before exiting, the information you have entered will be saved and you can continue completing the coversheet. If you have completed the coversheet without registering and logging in, you will not be able to save your progress.

If you wish to exit the coversheet without saving, close the browser window.

Part 2: Completing the coversheet

Overview

The coversheet has 9 sections:

1. Organisation details
2. Audit findings
3. Governance
4. Specific areas of interest
5. Financial statements
6. Auditor's management letter
7. Internal scrutiny report
8. Your details
9. Summary

The coversheet has been designed to be straightforward and intuitive, with help text and images from the online form provided throughout the guide. However, you may need to refer to the notes below when completing each section.

To make the process more efficient for you, please round financial numbers to the nearest thousand, and do not use commas, noughts or pound signs, for example, '£50,131' should be entered as '50'.

1. Organisation details

This section identifies your organisation using the company number. It also asks for the name of your audit firm.

Company number

You can obtain this from the front page and balance sheet page of your accounts. You can also search [Companies House](#) using their beta site or free Web Check service. Ensure there are no spaces either before or after when you input your company number.

On entering your company number, you must select the button 'Search for organisation' to autofill the name of your academy trust.

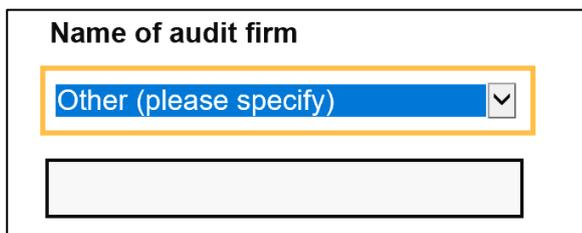

The image shows a screenshot of a search form. It consists of a white rectangular input field at the top. Below it is a green rectangular button with the text "Search for organisation" in white. The button is highlighted with a red rectangular border.

You should check the organisation name. If it is not correct, you should re-confirm your company number. In the unlikely event your organisation's name does not appear, you will need to complete the ESFA's [enquiry form](#).

Name of external auditor / firm

You can identify your external auditor's / firm's name from the 'independent auditor's report on the financial statements in your accounts. Select the name of your firm from the dropdown list. If your firm's name does not appear, select 'Other (please specify)' from the list. A free text box will appear, and you can type the full name of your firm. Select the next field to continue.

The screenshot shows a form titled "Name of audit firm". It contains a dropdown menu with the option "Other (please specify)" selected. Below the dropdown is a text input field.

2. Audit findings

This section asks for information on your independent auditor's overall opinion on your accounts, findings on regularity and on any modifications to your accounting officer's statement on regularity, propriety and compliance.

Audit opinion

The auditor will give an opinion on your accounts in accordance with International Standard on Auditing (UK) (ISA) 700. You can obtain this from the 'independent auditor's report on the financial statements' in your accounts.

You should consult with your auditor if you are unsure which opinion has been given, or the basis of any qualification or modification.

Any opinion other than 'unqualified' would also have been raised with your trustees by your auditor. If your auditor has given anything other than an unqualified opinion, then you will be prompted to tell us the nature of the qualification or modification, and underlying reason(s) from the list provided. You will also need to tell us if the accounts have been prepared on a going concern basis and if the auditor has noted a material uncertainty or emphasis of matter.

Reporting accountant's report on regularity

Any matters by exception raised by your auditor will be disclosed in the conclusion at the end of the 'independent reporting accountant's assurance report on regularity' in your accounts, as shown below. You will be prompted to tell us the reason(s) your auditor has raised regularity matters from the list provided.

Conclusion

In the course of our work, **[except for the matters listed below]** nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period **[insert the start date of the period for which the financial statements have been prepared]** to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

[Matter 1:

Matter 2:]

State the monetary amounts if known.

Statement on regularity, propriety and compliance

Any modifications to your accounting officer's statement on regularity, propriety and compliance will be identified at the end of this statement, as shown below. You will be prompted to tell us the reason(s) for any modified statements in the dropdown list.

I confirm that the following instances of material irregularity, impropriety or funding non-compliance discovered to date have been notified to the board of trustees and ESFA. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA:

- **Financial issues**
[X]
- **Non-financial issues**

3. Governance

This section asks for information about the internal control recommendations made in the independent auditor's management letter. It also requests information about internal scrutiny and your assurance arrangements.

Auditor's management letter

You must enter the number of control recommendations reported by your auditor within their management letter. Where they have reported any control recommendations, you will be prompted to provide further information. If they have not reported anything, then you should enter '0'. If your auditor had made recommendations that have been reported again in this year's management letter as they were not implemented in the previous year, you need to tell us the number. If all have been implemented from the previous audit enter '0'.

You must tell us whether your auditor has assigned a priority rating to each finding. Where the auditor has applied a rating system, please tell us how many recommendations have been assigned to respective high, medium, low or equivalent priority ratings. We require this rating for both new recommendations and any recommendations carried over and not implemented from last year's management letter.

Internal scrutiny

We have included some questions on your approach to internal scrutiny, including how you deliver assurance through independent challenge, as well as asking if you have an annual summary internal scrutiny report, which has been presented to the audit and risk committee.

4. Specific areas of interest

This section asks for information on specific areas of your accounts, namely severance payments and related party transactions. Please round and abbreviate all numbers to the nearest thousand, and do not use the comma, noughts or pound sign (for example, you should input £6,401 as '£6').

Severance payments

ESFA review a sample of severance payments to ensure trusts are following correct procedures prior to making such payments.

Severance payments include contractual payments, non-contractual payments and special staff severance payments. Special staff severance payments are amounts paid to employees outside of statutory and contractual requirements.

You must also tell us the individual values of **any** non-statutory/non-contractual severance payments.

Staff restructuring costs comprise:		
Redundancy payments	20	20
Severance payments	20	20
Other restructuring costs	-	-
	40	40

**Section a. of the ‘Staff’ note (£’000) from Coketown model in the
[Academies Model Accounts 2022 to 2023](#)**

Included in staff restructuring costs are special severance payments totalling £15,000 (2022: £nil). Individually, the payments were: £1,000, £4,000, £4,000 and £6,000.

**Section b. of the ‘Staff’ note (£’000) from Coketown model in the
[Academies Model Accounts 2022 to 2023](#)**

You should not assume that your staff restructuring costs are entirely made up of non-statutory and non-contractual severance payments. Most severance payments to employees will include statutory and contractual elements, which must not be included. In the above example, it would be reasonable to assume that as £15,000 of the total staff restructuring costs of £40,000 is accounted for by non-statutory and non-contractual severance payments, the balance of £25,000 is attributable to statutory and contractual elements.

You will also need to tell us if there has been an exit package at or above £100,000, which included a special severance payment. You will also need to tell us if there have been any instances where a special severance payment has been made to an employee that earned over £150,000.

Related party transactions

Our focus is on related party transactions entered into by trusts after the 1 April 2019 and reported in your 2022-23 financial statements. These are either individually or as a cumulative value with the same supplier, that are in excess of £20,000. You will need to identify the transaction award date as well as refer to the ‘related party transactions’ note in your trust’s accounts. You may also need to add a series of transactions to reach the figures required.

If you answer ‘Yes’ to entering into any related party transactions, we ask you to provide the total expenditure with all related parties, and the number of expenditure transactions disclosed in your accounts, but only for those transactions where either individually, or as a cumulative value with the same supplier, exceed £20,000. You will then be prompted to provide further details about your trust’s top five expenditure transactions by value, where the related party is a sponsor of the trust, including a description of the type of sponsor (such as private individual, company or university, etc.) For those

related parties that are not a sponsor, we also ask for a description of the type of entity. You will also be prompted to declare if prior approval has been sought from the ESFA for these transactions.

A typical example of an expenditure related party transaction is an academy trust purchasing goods or services, supplied by an organisation in which a director and academy trust trustee is the same individual. In the example below, we would expect you to record '35', which represents the total expenditure value for this specific related party in the period, and 'private company' as the sector.

Expenditure related party transactions

DEF Limited – a company in which Mr C J Goodyear (a trustee) has a majority interest:

- The academy trust purchased computer equipment from DEF Limited totalling £35,000 (2022: £nil) during the period. There were no amounts outstanding at 31 August 2023 (2022: £nil)
- The academy trust made the purchase at arms' length following a competitive tendering exercise in accordance with its financial regulations, which Mr Goodyear neither participated in, nor influenced
- In entering into the transaction, the academy trust has complied with the requirements of the Academy Trust Handbook
- The element above £2,500 has been provided 'at no more than cost' and DEF Limited has provided a statement of assurance confirming this

'Related party transaction' note – from Coketown model in the [Academies Model Accounts 2022 to 2023](#)

In completing this section, please do not include trustees' remuneration and expenses, which are dealt with under a separate note to the accounts.

Subsidiaries

We have included two questions on subsidiaries, you need to tell us if you have any subsidiaries that have been consolidated into your 2022-23 accounts and if so, how many.

5. Uploading your financial statements

Format

You must scan the signed versions of your audited financial statements and auditor's management letter.

Your audited financial statements, your auditor's management letter and your findings from your internal scrutiny programme of work should each be a separate scanned file. There will therefore be three scanned files that are required to be uploaded.

Please check that all pages are included within all three scanned files, that they are all in a PDF format, are all readable and not password protected.

Document requirements

To avoid delays in processing your accounts, additional queries and follow up, it is important to use the instructions and naming conventions below.

Naming convention

Please name your documents according to our standard convention.

Naming convention – examples

Trusts must submit the following three documents:

- 01234567 Coketown Academy Trust 2223 FinStat
- 01234567 Coketown Academy Trust 2223 ManLet
- 01234567 Coketown Academy Trust 2223 ISR

8. Your details

This section asks for details of the person submitting the coversheet and their role in the trust, in case we need to contact you with queries. This does not have to be the Accounting Officer.

Name and role of accounting officer

Where the person completing the form is not the Accounting Officer, please add the first name and surname of your Accounting Officer in the box provided. The name of your Accounting Officer should correspond to the governance information you have submitted to DfE's ['Get Information About Schools'](#) service.

Resubmission

If the accounts submission coversheet is a resubmission you will be asked to note the reason why.

9. Summary

This section shows your answers to the questions in the coversheet. You have the opportunity to check these before submitting.

Declaration

You must confirm that you have completed the coversheet to the best of your knowledge.

Where the Accounting Officer has not completed the coversheet, we require confirmation that the Accounting Officer is sighted on the information submitted.

Submitting the coversheet

At the bottom of this section, you have the option to submit the coversheet and access a printable version. If you need a draft version of the coversheet before you submit, select the 'Printable Version' link and print and save a copy.

[Printable version](#)

Confirmation of receipt

Following submission, you will receive a confirmation email. This will include a PDF copy of your coversheet. Depending on the level of internet traffic there may be a slight delay in receiving this email. Please also check your junk and spam email folders if appropriate.

Other considerations

These submission arrangements do not remove the requirement for you to publish your accounts on your trust's website by 31 January 2024, and to file your accounts with Companies House no later than 31 May 2024. Further information is given in Part 1 of the [Academies Accounts Direction](#).

Queries

If you have a technical issue with the accounts submission coversheet, please use the feedback link that is available at the top of each page. You must select the accounts submission cover from the drop-down list of online forms.

Please use ESFA's [enquiry form](#) if you have queries about submitting your accounts that have either not been answered within this guide or the [Academies Accounts Direction](#) page.
